Just not for meVon jeanne adamekFirst let me say that the author wrote really well and for the right person this would be a great book. I just really found the way that Clare Mackintosh presented the story and some of the characters depressing

and (this is only my view) distasteful. Because the story flowed I was able to read to the end. Still, this is a story that I would never read again. 2 1/2 stars

Von Ray This is one of the best thrillers I have read for a long time. The author does not dwell on any unnecessary gory details (unlike a lot of thriller writers` nowadays) but just gets on with the interesting story. The police are portrayed as actually being human, therefore likeable characters as well. With any luck this book could easily be made into a very good film!

Von Ali Wie schon Rezensenten vor mir festgehalten haben, berrascht die Handlung von "I let you go" an mehr als einer Stelle. Leider bertreibt die Autorin mit den raffinierten Verquickungen gegen Ende ein wenig, was nicht ntig gewesen wre. Die Spannung htte auch ohne das eine oder andere Extra an Auch-das-noch-Effekten ausgereicht. Auch der Lovestory-Teil ist vielleicht ein bisschen vorhersehbar. Bezglich des Endes, ber das ich mich hier inhaltlich nicht auslassen will, bin ich mir nicht hundert Prozent im Klaren. Gerne wsste ich von einem anderen Leser, wie er es interpretiert hat (Lebt er etwa doch noch??). berrascht war ich, im Nachhinein zu erfahren, dass die Autorin selbst bei der Polizei ttig war. Insgesamt gewiss eine spannende Lektre.
