KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. suspenseful, romantic, emotional whirlpool storyVon Ein Kundefantastic story...characters believable and really pull you in, emotional power awesome, senses incredible! As usual, Ms. Ankrum reminds us of why we read romance...to feel/be that heroine and have that warrior be YOUR hero. "Jack" is a terrific hero, truly a woman's strong/silent yet feeling and compassionate dream and Tess is such a real person whose life has ups and downs, happy times and disappointments/sadness that a real live person (not two dimensional) person would have. Then add in the suspense of trying to figure out who and why thugs are after "Jack"...well, you've got to read this to find out! Definitely a recommend to anyone who loves something more than cardboard romance!0 von 0 Kunden fanden die folgende

Rezeption hilfreich. I WANT A SEQUEL! Von Ein Kunde I love this writer's style! Her characters were so real to me I didn't want it to end. If you want a true romance with suspense and a hero and heroine who REALLY talk to one another -- this book is for you! Truly, I couldn't put it down and I did something I haven't done in a long time -- cuddled up on the couch with a few Oreos and read the whole day. Loved it, loved it, loved it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. a wonderful romance! Von Ein Kunde This is a great book -- I started it late at night and intended to read only a few pages, but I couldn't put it down! It's got a warm, intelligent heroine, a sexy hunk of a hero and an smartly crafted mystery at the center just to make things interesting.

Kurzbeschreibung Try to Remember A DANGEROUS GAME He stumbled into her steadfast life with no name, no memories and nothing but trouble etched into every inch of his well-muscled body. The bullet lodged in his shoulder told Tess Gordon somebody wanted him dead. She just wanted him needed him enough to put her life on the line for him. A brooding stranger whose gentle touch moved her. A fugitive who matched the description of a dangerous criminal, inch for perfect inch. She was betting against the odds when she dared to love again, trusting her heart to the man she called Jack and praying he wouldn't break it. A forgotten pasta hoped-for future.
