**Von Ella Martin : I Love Him, I Love Him Not (Westgate Prep Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised I Love Him, I Love Him Not (Westgate Prep Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Contemporary YA romance that struck a chordVon JuliaI already LOVED the first book in the series, WILL THE

REAL PRINCE CHARMING PLEASE STAND UP?, but I might love this one even more. It's the kind of story I would've inhaled as a teenager as Talia and Jake's friendship/feelings for each other would have struck a chord with 15/16-year-old me. There are so many "loud" stories out there these days, full of action and magic, but it's often the quiet stories that stay with me, that I can relate to. I cannot wait for the third book in the series.

Kurzbeschreibung Talia Nicolettis life has been turned upside down and that's probably an understatement. Her mother goes off on a business trip and comes back married. Her estranged father wants to be less estranged. And her best friend Jake DeSantos suddenly has a new confidante who Talia doesn't want to like but kind of does anyway. Talia has to unravel her tangled up emotions to figure out what she really wants. Does she want to accept her father back in her life? Can she trust her new-stepfather? There's too much hitting Talia at once, and she's not ready to deal with any of it. The one person she can always turn to is Jake, and he's being secretive and isn't exactly available. And that hurts her more than she thought possible. Talia hates that she's jealous of the new girl in Jake's life, especially since she can't decide if she loves him or if she loves him not.

ber den Autor und weitere Mitwirkende Ella Martin is a young adult author and self-described "prep school survivor" from Southern California. With a keen sense for combining relatable teen characters with engrossing stories, her books blend aspects of romance, angst, and intrigue. Her Westgate Prep series of books tackle female friendships, quirky characters, and sensitive topics with equal tact.
