be from the cover. The road to happiness was a difficult one for Delia. Some of the storyline I was not expecting. I would recommend this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Predictable at times, but worth the read. Von Lynn B. Smith Someone recommended that I read this book and it was the first of Joan Johnston's for me. The story was very touching at times, but often predictable. I will definitely give another of her books a try.
