Finally the new one...Von Griese, Ilka"I shall not want" knpft nahtlos an die frheren Bnde aus Julia Spencer-Flemings Reihe um die Pastorin und Army-Pilotin Clare und Russ, den Polizeichef von Millers Kill, an. Diesmal spannt die Autorin ihren Plot um illegale Arbeiter und Drogendealergangs. In Millers Kill werden kurz hintereinander die Leichen von mehrere durch Kopfschsse getteten offensichtlich illegalen Arbeitern gefunden. Erste Spuren fhren Russ zu den Christies, einer Familie von Schafzchtern aus der Gegend um Millers Kill, die zuvor durch auslnderfeindliches Verhalten aufgefallen waren. Der Verdacht erhrtet sich, als Amado, ein junger mexikanischer Gastarbeiter, der nach einem Unfall Unterschlupf in Clare's Kirche gefunden hatte, spurlos verschwindet, nachdem die Christie-Brder ihn zuvor angegriffen hatten. In den Sachen von Amado findet sich dann jedoch eine Waffe sowie sehr viel Geld, was Russ pltzlich auf die Spur einer Gang aus New York fhrt, die in der Gegend mit Drogen dealt. Fr Russ und Clare luft die Zeit, denn es gilt nicht nur, Amado zu finden, sondern auch, weitere Morde zu verhindern...Auch Julia Spencer-Flemings neues Buch zeichnet sich wie all ihre anderen Bcher auch durch einen sehr gut durchdachten und spannenden Plot, gut gezeichnete und authentische Charaktere und eine hohe emotionale Dichte aus. Die Autorin versteht es auch in "I shall not want" wieder, mehrere Handlungsstrnge gekonnt miteinander zu verknpfen und in einem groen Finale alle Fden zusammenlaufen zu lassen. Einen Mittelpunkt bildet dabei auch wieder die Beziehung zwischen Russ und Clare, die sich nach dem Tod von Russ' Frau einander wieder annhern. Die Liebe der beiden zueinander verleiht den Bchern der Autorin immer ein hohes emotionales Niveau, wie es nur in sehr wenigen anderen Krimis zu finden ist. Mir sind die beiden Hauptpersonen wie kaum ein anderes Ermittlerduo ber die bisherigen Bnde ans Herz gewachsen, ich habe mich mit ihnen gefreut und mit ihnen gelitten und freue mich schon auf viele weitere Bcher mit den beiden! Sehr zu empfehlen!4 von 5 Kunden fanden die folgende Rezension hilfreich. spannend und romantischVon N.N.Ich kann gar nicht anders als auch dem neusten Roman aus der 'Clare Fergusson Serie' 5 Punkte geben. Fr Fans ein absolutes 'Muss'.

KurzbeschreibungMillers Kill reaches the boiling point in this white-hot novel of love and suspensePeople die. Marriages fail. In the small Adirondack town of Millers Kill, New York, however, life doesn't stop for heartbreak. A brand-new officer in the police department, a breaking-and-entering, and trouble within his own family keep Police Chief Russ Van Alstyne busy enough to ignore the pain of losing his wife---and the woman he loves.At St. Alban's Episcopal Church, the Reverend Clare Fergusson is trying to keep her vestry, her bishop, and her National Guard superiors happy---all the while denying her own wounded soul.When a Mexican farmhand stumbles over a Latino man killed with a single shot to the back of his head, Clare is sucked into the investigation through her involvement in the migrant community. The discovery of two more bodies executed in the same way ignites fears that a serial killer is loose in the close-knit community. While the sorrowful spring turns into a scorching summer, Russ is plagued by media hysteria, conflict within his department, and a series of baffling assaults.As the violence strikes closer and closer to home, an untried officer is tested, a wary migrant worker is tempted, and two would-be lovers who thought they had lost everything must find a way to trust each other again---before it becomes forever, fatally, too late.Julia Spencer-Fleming shows you can escape danger---but not desire---in her most suspenseful, passionate novel yet, I Shall Not Want.Pressestimmen"Keenly moving and occasionally laugh-out-loud funny, this is a tour de force in a series that seems to have jumped several levels in quality." --"Booklist "(starred)"With each book, Spencer-Fleming just keeps getting better.
