Iceberg Von Brian Schwartz Iceberg is definitely one of Clive's better novels, and that says a lot! As always Clive Cussler creates an ingenious plot that will keep you on the edge of your seat. This amazing plot goes from Iceland, to an iceberg or two, to Disney Land? Dirk Pitt again performs incredible feats to save the lives of many. After he is beaten to a pulp by a mad karate master, he is forced to climb a ravine and hike a several hour long voyage across Iceland.... That's just part of this amazing adventure. I would recommend this book to anyone, especially Dirk Pitt fans who have yet to read this one. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Iceberg: Audio Cassette Review Von Ein Kunde Iceberg: Audio Cassette Review When I purchased this audio cassette, I had no knowledge of Clive Cussler's work. I bought the tape because I'm a fan of the reader, Bruce Greenwood. I have enjoyed his acting since "St. Elsewhere." After the finale of his most recent show, "Nowhere Man," I looked forward to the opportunity of experiencing another one of his projects. Since I'm usually not attracted to the detective genre, I had no expectations of actually enjoying the story. I was pleasantly surprised. In a word, this story is fun. There are countless twists and turns, nonstop action, and a bounty of characters. Dirk Pitt is larger than life in a romantic, superhero fashion. This is not a criticism; if the popularity of a certain secret agent is any indication, we like our heroes invincible. Without giving away plot secrets, let me just say that the ending came as complete surprise. I was clueless until the final words were uttered. This in itself was a breath of fresh air. I can't say enough about Bruce Greenwood's delivery. Mr. Cussler's host of characters provide an expansive canvas for Mr. Greenwood's boundless talent for voice and dialect. Bruce Greenwood can move from a British accent to a southern accent and on to a woman's voice without a hitch. One is soon swept away by his magic and treated to a virtual theater for the ears! (Being the avid Star Trek fan that I am, I can only hope that Simon Schuster will consider Mr. Greenwood for their Star Trek audio series.) Together, Mr. Cussler and Mr. Greenwood provide a delicious recipe for fun. I'm looking forward to future visits with Dirk Pitt. Rating: 8 Bonnie R. Pitt auf Alleingang Von Robert M Iceberg spielt sich ein knappes Jahr nach ab und findet dieses Mal ohne den wortgewandten Al Giordino statt. Pitt auf Alleingang sozusagen...! Die Handlung spielt zu Dreiviertel in Island und endet, passend zur farbenfrohen Aufmachung des Romans, im kalifornischen Disneyland. :-) Es geht um eine verschwundene Sonde zur Suche von Mineralien auf dem Meeresboden, einen verschwundenen Wissenschaftler und einen gerissenen Tycoon, der, durch eine ganze Reihe von Intrigen, die politische Fuehrung von ganz Mittel- und Suedamerika uebernehmen will. Wer schon immer mal Lust hatte Dirk Pitt als Homosexuellen zu sehen und sich schon immer gefragt hat, wie man mit einer Anstecknadel zum Nordpol findet, der wird in die passenden Antworten finden. Als Einstiegsbuch vielleicht etwas zu abgehoben, fuer Dirk Pitt-Fans allerdings unverzichtbar. Bewertung: 4 out of 5!

Kurzbeschreibung The towering iceberg drifting in the North Atlantic was a floating tomb. Embedded in the great gleaming mass was a ship - sealed in so solidly that not even its mast protruded. Here was a sea mystery to rank alongside the Bermuda Triangle and the Marie Celeste. But for Major Dirk Pitt, top troubleshooter for the National Underwater and Marine Agency, it was also the first link in a fantastic chain of events that would lead him too close - and too often - to violent death. And to the discovery of the most sinister and bizarre conspiracy of the century . . . ICEBERG. Pressestimmen "Cussler has developed and patented a vibrant, rollicking narrative style that seldom shows signs of relenting." -Chicago Tribune Werbetext More nail-biting adventure from Cussler's thrilling hero, Dirk Pitt.
