Vorsicht...macht schtig.Von JulieDa ich auf der Suche nach kostenfreien englischen Bchern war, habe ich dieses eBook gefunden und habe alle Teile verschlungen. "If I Break" ist fr mich von der Geschichte her nicht ganz realistisch, aber es reit einen einfach mit und man muss weiterlesen und herausfinden wie es weitergeht. Ich htte noch ewig weiterlesen knnen. :)0 von 0 Kunden fanden die folgende Rezension hilfreich. Annoying, bad editing, a lot of plot holesVon

reader If I Break is a redundant story that features unlikable characters, is really poorly written and lacks editing. One has to wonder if someone checked it for spelling, missing and misplaced words, punctuation etc. Lauren of 2008 acts like a shy, awkward, and embarrassing little girl and Lauren of 2011 is a whiny bitch who throws temper tantrums and will be gladly appeased with sex. The constant back and forth between 2008 and 2011 was terribly annoying and impaired the flow of the story. I think if the book had started in the past and made its way to the present it would have been so much better. Lauren finished college to be a trophy wife? And no explanation was given as to why his WIFE didn't know what he did for a living! Cal was always the mysterious hero which we knew in the very beginning until the twist. I was starting to skim read. She wants to leave, but she doesn't (because of the sex), but she does, but she doesn't... it just continues on like that a lot. It was as if the plot was at a stalemate. Then finally something new and the twist in the last chapter. If you like this plot I can recommend Alessandra Torres Black Lies, excellent book, hero with the same personality disorder. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Liebesgeschichte etwas anders Von Chloe Bestes Buch das ich seit lange gelesen habe. Und das erste seit langem das mich zum weinen gebracht hat. Meiner Meinung nach ein Must read. Dieses Buch ist eines von denen, die man nicht mehr Weg legt wenn man einmal angefangen hat zu lesen. Ist definitiv nicht deine typische Liebesgeschichte, aber wer es gerne etwas anders mag, mit mitreißenden Charakteren und viel herzscherz, ist hier richtig.

Kurzbeschreibung Fresh off of a broken heart I met Cal Scott. He was just what I lacked a beautiful distraction. At six-foot-two, with ebony hair, storm gray eyes, and a smile that could only hide an agenda, I knew he was trouble. And for the first time in my life, a little trouble was just what I needed. No. What I wanted. It wasn't like I'd ever marry the guy. Until I did. What I thought would be my happily ever after, was only the beginning. Cal has a secret. One that makes loving him come with a price, and being his wife cost more than I bargained for. Kurzbeschreibung Fresh off of a broken heart I met Cal Scott.
