Sehr zum Unwillen ihrer Stiefmutter, die das Geschft lieber heute als morgen verkaufen wrde.Da bietet sich der Stiefmutter die Gelegenheit eine ihrer drei Tchter an einen reichen Mann zu verheiraten. Sein Name ist Alexander Royale. Er steht unter der Fuchtel seiner Groeltern und soll endlich heiraten, weil sein Playboyleben nicht zur Firmenpolitik passt.Statt jedoch eine von den zweit Tchtern der Stiefmutter zu whlen, verguckt sich Alex ausgerechnet in Nummer drei- nmlich Charlotte. Diese fhlt sich zwar zu Alex hingezogen, glaubt aber erst nicht an die groe Liebe...Doch die Stiefmutter nutzt die Gelegenheit Charlotte unter die Haube zu bringen und gleichzeitig das Warenhaus an den Schwiegersohn zu verscherbeln. So ist sie gleich zwei Plagen auf einmal los.Die Geschichte kommt bekannt vor? Klar, das ist Aschenputtel in der heutigen Zeit.Was mir unglaublich gut gefallen hat, ist wie Charlotte dargestellt wird. Ihre Motive, ihr Elan, ihre Freundschaft zu Dolly, alles ist total lebendig, Man sich wirklich vorstellen so jemanden im Freundeskreis zu haben.Allerdings empfinde ich sie als ein wenig naiv. Wenn ihre Stiefmutter, die sie regelmig belogen und betrogen hat, erzahlt, ihr Vater habe sein Erbe auf eine bestimmte Art verteilt und es sei sein letzter Wille gewesen, dass die Stiefmutter es verwaltet, wrde jeder normale Mensch das hinterfragen. Oder einfach mal dem Ehemann's Anwlten eben dieses Testament zur Prfung vorlegen. Doch Charlie schluckt das Ganze einfach.Das leuchte mir nicht ein, wo sie sonst mit allen Mitteln um das Warenhaus kmpft, macht sie sich nicht die Mhe nach einem eventuell vorhandenen Erbe zu schauen? Erscheint unlogisch, zumindest fr mich.Auch Alex ist relativ real gezeichnet, scheint aber manchmal seinen eigenen Werten nicht zu vertrauen und sich von seinen Groeltern manipulieren zu lassen.Da es sich aber um eine moderne Aschenputtelvariante handelt, ist das Ende vorhersehbar.Wunderschn geschrieben, habe oft ber die Freundschaften geschmunzelt und mich herrlich ber Dolly amsiert. Danke, dass die Geschichte mindestens 25 Jahre alt ist, denn es gibt noch Autotelefon und keine Handys :-).Hat mir sehr gut gefallen, eben weil es sich fantastisch liest, auch wenn die Geschichte vorhersehbar ist.1 von 1 Kunden fanden die folgende Rezension hilfreich. nice easy holiday readVon Hoener, BirgitFrom the contents description, this was supposed, as I understand, to be a contemporary romance based on the Cinderella story (hence the title).That statement I found a bit far-fetched, nevertheless, it was quite an entertaining story with the evil stepmother, Prince Charming (in the broadest sense) and Cinderella, and the stepsisters of course. Some of the contents was a bit improbable, but did not deter from reading.Although this was not a "can't-put-it-down" book, it was a nice read, with a good narration style mostly (some contents errors but not too many), and a nice read for a summer holiday.1 von 1 Kunden fanden die folgende Rezension hilfreich. modernes CinderellaVon FamilienmanagerinDie Beschreibung von gibt eigentlich schon ausreichend her, um was es inhaltlich geht. Mehr dazu zu sagen, wrde nur den Lesespa vorwegnehmen. Das Buch liest sich leicht und flssig und ist auch durchaus amsant, wenn sich die Mnner untereinander und die Frauen untereinander besprechen etc. Also wirklich charmant und leicht, nur wegen der Vorhersehbarkeit einen Punkt Abzug, auerdem htte manchmal etwas mehr Ausfhrlichkeit gut getan.Ich habe das Buch in einer kostenlosen Aktion bekommen.

KurzbeschreibungOne of the best Cinderella stories I've ever read. Very easy reading and the characters touch your heart. Everyone loves laughs and a happy ending and this book has both! 5 star review from grtgram on .comWhat happens when a modern day Cinderella's dreams don't involve getting married?Romance? Love? In this Once Upon A Romance Series Book 1 romantic comedy, Charlotte (Charlie) King doesn't have time for either one. All she wants is her late father's dream to come true by making his beloved King's Department Store thrive again. However, her stepmother has other ideas. Charlie agrees to help her stepmother find grooms for her sheltered stepsisters. In exchange, the stepmother will release her stronghold on the store's budget. After all, one good deed deserves another, right? But, Charlie has no idea what her heart's in for when...Alexander (Alex) Royale, dubbed by society newspapers as Prince Charming, arrives for dinner to meet the all-female King family. His ailing grandparents yearn for his marriage and then the baby carriage. Well, that and running the family company. Having unsuccessfully searched for months, Alex doesn't hold out any hope in finding his future bride among the King sisters. However, all his expectations, including his idea of a business-like marriage of convenience, vanish the moment Charlie crashes into him.When Alex sets out out to win over Charlotte, he has no idea he has to bargain with the stepmother, secretly buy the store, court Charlotte after the wedding, and, oh yeah, be featured in Charlie's new fairy tale ad campaign, The Charmings, based on them. Can a guy ever get a break?The couple never factored in falling in love with each other. Now, faced with losing all their families ever wanted, Charlie and Alex must choose: Do they live their families' dreams or do they finally live their own?This is the first book in the contemporary romantic comedy trilogy Once Upon a RomanceI enjoyed this book from cover to cover.
