Wonderful, romantic, can't put it down
Von Ein Kunde
Connor gets an emergency call from his eight year old nephew that something is wrong with his mom, the wife of Connor's late brother, he loved for many years. In a deed of love he agreed to be the father of her children the brother couldn't give her. (Artificial Insemination) He never told anyone how much he loved the woman (Abbie), not even her. But now when they are all together for the summer all that Conner wishes is to keep this little family for himself.

Kurzbeschreibung
The cry for help came at night, during final roundup. But nothing could prevent Conner Calhoun from rescuing his brother's widow and her two children. From the moment he'd laid eyes on Abigail, he'd wanted her, but she wasn't his to have. And now he'd moved his forbidden love onto his ranch, where the secret between them had nowhere to hide. Every time he tousled Cody's hair, every time he cuddled little Miss Sarah, he was reminded of impossible wishes and a gift given out of love. But honor demanded he not claim for his own what was never meant to be unless, of course, Abby wanted the same thing .
