**Von Shiloh Walker : If You Know Her: A Novel of Romantic Suspense (Ash Trilogy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised If You Know Her: A Novel of Romantic Suspense (Ash Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Third in seriesVon Helen HancoxIf You Know Her is the third in a series. I havent read the previous two books but that wasnt a significant problem with this story in that events in the previous books that relate to this story were explained.This story ostensibly focuses on two people, Nia Hollister and Law Reilly. I say ostensibly as there is a fair amount of time given to characters in the previous books and the initial focus on Nia and Law rather waned towards the end of the book where we spent more time with some of the other characters. Not a problem if youve read the other books but these characters were fairly vague to me.Nias sister Joely was murdered in the town of Ash, Kentucky, and although months have passed and the perpetrator has been killed and buried, she still feels that things arent quite resolved. When she reads of a recent murder which she feels has the hallmarks of her sisters attack, she believes that the murderer is still out there and travels to Ash to do some investigating.She meets Law Reilly again when she arrives in Ash - at their previous meeting she waved a gun at him. However he seems to have got over that remarkably well and the first half of the book is largely Nia and Law getting to know each other and starting a romance. We also have a few short scenes from the point of view of the murderer.The second half of the book focuses more on Nias investigation and the attempts of the murderer to scare her away. The book reaches a significant climax and the pace picks up but this was never an edge-of-your-seat story.This was a reasonable read but I found it rather lacking as well. Firstly, I found it hard to really get into the heads of either lead character. Their romance was believable but not very exciting. Secondly, I felt the murder mystery aspect of the story was a little bit weak in places, particularly with regard to the Sheriffs actions right at the end (he seems surprisingly reluctant to warn people that theres a murderer about). I didnt believe in the murderer either - he spends a lot of time trying to frighten Nia off when it didnt really serve him.There are lots of romantic suspense books out there and I felt that this one fell short of the standard of many of the others. However, for those who have read the others in the series, this would probably be more enjoyable than for those, like me, starting with Book 3.Originally published for Curled Up With A Good Book Helen Hancox 2012

KurzbeschreibungA SHADOW IN THE WINDOWNia Hollister doesnt scare easily. Shes returned to Ash, Kentucky, with a vengeanceand with a mission: find the killer who brutally ended her cousins life. What she didnt count on was trembling with desire every time she sees Law Reilly. If any man can help her escape the nightmares for a while, its him. But can she allow herself to take comfort in those strong arms when her sisters killer still roams free?She may think shes a bad ass, but she should not have come back to his town. He is watching heras she slips into Law Reillys house, as she storms into the sheriffs office. These men wont be able to protect her when her time comes. Timing is everything, though he cant wait forever. Shes nosing around the woods, looking for his hiding place. Yes, he is watching her . . . through the window . . . in her bed . . .If shes not scared, she should be . . . because he is very good at what he does.From the Paperback edition.KurzbeschreibungA SHADOW IN THE WINDOWNia Hollister doesnt scare easily.
