Von Sheila O'Flanagan : If You Were Me (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised If You Were Me (English Edition):

Kurzbeschreibung Sheila O'Flanagan's bestseller IF YOU WERE ME will make readers wonder: what would I do if my first love came back into my life? A must-read if you enjoy the novels of Veronica Henry and Catherine Alliott. You're engaged to a great man. You're on a countdown to your wedding day. You stopped thinking about your first love a long time ago. But what if one unexpected, forbidden kiss were to throw your life upside down? Carlotta O'Keefe suddenly finds herself wondering if the girl she was would recognise the woman she has become. She thought she was living a charmed life. But what if she's got it all wrong? What if her past is meant to be her future? Pressestimmen Really enjoyable... will keep you guessing right up until the end (Heat (on THINGS WE NEVER SAY)) A very warm and touching book... deserves to be a bestseller (Woman's Way [on BETTER TOGETHER]) Entertains, surprises and provokes (Irish Independent (on ALL FOR YOU)) Romantic and charming, this is a real must-read (Closer (on STAND BY ME)) A big, touching book sure to delight O'Flanagan fans (Daily Mail (on THE PERFECT MAN)) O'Flanagan's lightness of touch and gentle characterisations have produced another fine read; an ideal addition to that summer holiday (Sunday Express (on HOW WILL I KNOW?))
