A REUNION TO REMEMBER...Von lawyeraauThis is a well-written book about two people in love who failed to make a permanent commitment at the peak of their emotional bond. Family ties and religion all played a part in the bitter dissolution of their romance. It was a failure that was to gnaw at each of them, despite a lifetime of other experiences

and relationships. After a sojourn of twenty-five years, a chance meeting between the two provides them the opportunity to make right what went wrong years ago. Whether or not it will prove right in the present is something that they will have to determine. All may not be what it seems. The author is a born storyteller, and those who like family sagas with a strong element of romance will enjoy reading this book.

**Kurzbeschreibung** Do we make our own destinies? Can we alter the courses of our lives? Cynthia Freemans New York Times bestselling novel will resonate with anyone who has ever dreamed of a second chance
