Anfang ist... Von high art... schwer... aber wenn es dann luft dann luft es. Ich hab mich durch die ersten Seiten etwas durchgequilt, zum einen wird die Leserin mit etlichen Figuren konfrontiert, die zumindest ich nicht alle sofort behalten konnte, names- sowie bedeutungstechnisch. Und zum anderen, empfand ich die Ich-Erzhlweise und die permanenten Gedanken der Hauptprotagonistin Jessie auf den ersten Seiten mehr als anstrengend. Ebenso wirken viele Stze sehr konstruiert und viele Worte einfach zuviel. Nach dem ersten Drittel des Buches platzte bei mir der Knoten und ich war mittendrin und ja, mehr und mehr gefiel mir was ich las und am Ende hab ich dieses Buch mit einem erfreuten Seufzen weggelegt. Erwartet nichts mehr als eine "Sie-liebt-sie-und-sie-liebt-sie-auch-aber-sie-sagen-es-sich-nicht- Geschichte" und ihr werdet nicht enttuscht sein. Ich hab sogar hier und da mal ein Trnchen verdrckt, bitte sagt das aber keinem. EMPFEHLUNG: Lesen wenn ihr auch nicht durch einen holprigen Anfang abschrecken lasst, das Ende wird es auch danken. Vielleicht wre etwas mehr als Anfngerenglisch ratsam. 0 von 0 Kunden fanden die folgende Rezension hilfreich. more romance from the friends in Virginia Von Philologus The Lonely Hearts Club Winds of Fortune number 2 in the delightful series of the Seattle / Virginia-clan brings us back to Virginia and two hot ladies who are friends and destined to become more - with subtle wit and many unexpected turns Galli unfolds this romance in a very enjoyable manner. And of course it is a pleasure to meet the characters again we have come to love in her first book. So enjoy

Kurzbeschreibung Considered Charlottesville's most eligible lesbian, Jessie Ximena has recently grown tired of that status and has stopped dating entirely. She'd rather focus on the important things in life like her job, her family, and her friends. There will always be plenty of time for relationships when she feels like jumping back into the fray. If she finds someone to hold her interest, that is. Lauren Aleric has been searching for Ms. Right since she began dating, but no one has yet filled the role. Her friends think that she's too much of a romantic mush to settle. She wishes she could be more like her good friend Jessie, who seems perfectly happy dating casually. But mostly, she wishes she could be like her best friend, Austy, who's just found her forever love. Imagining Reality is the story of these two friends and how they discover that what they're both looking for isn't as far apart as they might think.
