The result would certainly be fatal for one or both. He comes from a long line of Vampire Hunters. She is a vampire. How can they be so attracted to each other, something calling from deep within their very souls. Now, trying to deal with their own

raging lust for each other they must also fight those who would rather see them dead. This book is pure excitement and energy that never stops. It has everything, drama, sex, a little BDSM and pure carnal lust. There are some fantastic serious, edgy sex scenes so keep that in mind once you start to delve in the pages of Immoral. Once you start reading you won't put it down. I can't wait to lose myself in the sequel. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Far flung from the days of Christopher Lee Vs Peter Cushing, Immoral Tales of a Vampire Hunter takes on a much more seductive guise. Original and entertaining, a must read paranormal romance.
