**Von Magen McMinimy : Immortal Craving (Immortal Heart Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Immortal Craving (Immortal Heart Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. okay, but not as good as book oneVon HappyGirlWhile a totally loved book one with the love story of wonderful Bain and Izzy, the second book did dissappoint me a little. The story between Kat and Kale lacks some of the true passion we got

with Bain and Izzy. The end of the book felt very rushed. Instead of a well deserved and well described ending for Kat and Kale we get a confusing ending with some new vampires stepping in the picture. Sorry, all of it was a little too confusing for my taste. Will start with book three now and hope it gets better again...

Kurzbeschreibung Kale, the youngest of the elite Light Fae Warriors chosen to protect the Human World from the dark creatures that lurk in the shadows, has had a life that's been hard fought and racked with betrayal, loss and heartache. Finding comfort in the physical manifestation of pain, Kale has discarded what is expected of Rowans Warriors, and now lives for the harder side of human life with his trusty bottle of Patron, hiding from the scars of his past. Katarina knew the day Darion imprisoned her that the life she once longed for was gone. The illusion that a Light Fae could ever love a woman of the Dark was over. Yet, while building a new life among the humans, Katarina's past is thrust upon her when the Warriors call on her to help in finding an elusive Fae, who is leaving a trail of bodies in its wake. Katarina is then forced to follow the orders of the very Fae who betrayed her. As secrets and lies unravel around them, Kat and Kale find that their past was never what it seemed, and that discovering what is true will be the most difficult battle of their lives. The truth, Kale The truth would be the best place to start. You and I must have a differing view of the truth in this situation, because in no way would the truth as I know it make you any less guilty.
