Von Edith Zeitlberger : Imperial Whites (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Imperial Whites (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well wittenVon Joseph BanksThe story of this novel, playing at the beginning of the 20th Century, pulled me in from the beginning. I enjoyed the multidimensional characters Sophie and Eleanor, and the way they met each other for the first time. The way the author describes their moods and feelings is very intense.Do three generations of lesbians ring a little hollow? I don't know.Punctuation is sometimes a little scary, but otherwise the book is well written.I hope Edith

Zeitberger continues writing and publishing.

Kurzbeschreibung It is the year 1903 and Eleanor, the Duchess of Darnsworth, is the envy of many a beautiful and sophisticated woman, happily married mother of three, well-respected lady of society and an accomplished horse-breeder. But beneath the perfect surface lurks the memory of a tragic loss that haunts Eleanors every waking moment. On a visit to Vienna, she encounters the independent-minded and strong-willed Countess Sophie von Hagendorf, who, with her academic pursuits and unconventional lifestyle, has chosen to break through the rigid confines society has set out for her. She, too, has had to create a faade towards the world; loss and a fateful accident have left their scars. Sophies brusque manners both exasperate and intrigue the Duchess, but with closer acquaintance, the two women discover a sympathy beyond anything expected and the prospect of a love that could redeem them both.
