far, in my opinion, her best and most enjoyable book. The characters are both complex and entertaining. Coulter's use of humor, even in the midst of suspense, makes this book too much fun to put down. Rafe and Marcus are the ultimate romantic leads, both strong-willed, intelligent and compassionate. If you like witty dialogue, suspenseful plots and hot, hot romance, this contemporary novel should top your list. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Passionate romance with edge of your seat excitement!!! Von Ein Kunde I thought this was one of Catherine Coulter's best works ever!! I really respect the author for her ability to write an ending that keeps pace with the rest of the book. Writing a good conclusion is so important because it is what we are left thinking about when we finish the book. The story was fast paced and I felt a deep connection with these characters. Wonderful!!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Now Coulter fan!!!!!!! Von Ein Kunde I just started reading Coulter's books and loved this one. I read a book every couple of days and this is one of the best in quite some time. I am now a big fan of Hers. Great story, characters, pace. Oozing with surprise, suspense, and romance.
