saga of the Campbells after her first success In a Class of Their Own

KurzbeschreibungTHE MOVING SAGA OF RACHEL CAMPBELL AND HER FAMILY CONTINUES... It's October 1954 and life in post-war Britain is slowly starting to return to normal. For Rachel Campbell, however, her family is proving to be a constant challenge. As her children grow older and start families of their own, Rachel must help them learn the often difficult lessons of life. Back from his National Service in Korea, Sam quickly rises through the police force, but soon finds himself in competition with his younger brother Paul. Meanwhile, Carrie realises that the joys of marriage may not create the easy life she had hoped for. And on what feels like the other side of the world, Rachel's eldest daughter Hannah faces the harsh realities of life on a Hebridean island. Through blessings and tragedies, streaks of luck and blows of misfortune, the Campbells will face their most trying days. But when surprising news brings the opportunity for redemption, can the family learn to put the past behind them? Millie Gray once again brilliantly recreates the atmosphere of the era with all the hardships and struggles as well as the fun, warmth and humour of everyday life.
