Wonderful Read!!!!q I want more of her books!Von Ein KundeIn Bed with the Boss is attention getting and keeping from the first line, all the way until the end. Duncan is a passionate and intense man and makes you shiver and Kalera is an innocent and charming lady. The chemistry between these two is very strong and had me entranced the entire way through. Susan Napier is a terrific writer and I look forward to reading many more by her.

Kurzbeschreibung For three years, Kalera has been a model secretary to Duncan Royal, with only one hiccup in their otherwise perfect relationship: a one-night stand that should never have happened, and which both have tried to forget. Or so Kalera thought. But Duncan is haunted by their one night of unbelievable passion, and secretly longs for their relationship to develop after office hours. As a rule, he can have any woman he wants so he's furious when Kalera announces her engagement to another man! Whatever it takes, Duncan intends to entice her into his bed once more and this time it will be forever.
