**Von Jenny B. Jones : In Between (A Katie Parker Production, Book 1)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Between (A Katie Parker Production, Book 1):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Funny Book Von C. Dannemann I had a good laugh and remembered my teenage times in the US, plus could image how hard it should be to be send to a new family as a teenage girl. 0 von 0 Kunden fanden die folgende Rezension hilfreich. too funny Von Barbara Tsipouras Ok, this book is funny, sometimes a tuch too much. If you are not a christian you might think it's too pushy. It's a nice quick read, quite entertaining but I don't feel the need to read the next one of the series. 0

**Kurzbeschreibung** Can we overcome our past? Katie Parker is about to get a new life whether she wants one or not. With her mom in prison, and her father AWOL, Katie is sent to live with a squeaky-clean family who could have their own sitcom. She launches a full-scale plan to get sent back to the girls home when she finds herself in over her head...and heart. When Katie and her new "wrong crowd" get into significant trouble at school, she finds her punishment is restoring a historic theater with a crazy grandma who goes by the name of Mad Maxine. In the midst of her punishment, Katie uncovers family secrets that run deep, and realizes she's not the only one with a pain-filled past. Katie must decide if she'll continue her own family's messed up legacy or embrace a new beginning in this place called In Between.

**Buchrückseite** Katie Parker knows life isn't fair. After all, when your mom's in jail and your dad's a no-show, you figure things just aren't going your way. But hey, she can deal. Then she finds out she's being sent to live with a foster family--in In Between, Texas. What kind of town has a name like In Between? And what kind of family wants a kid like her? One thing's for certain: None of this will be good. Sure enough--thanks to some new "friends" and her non-Mom's crazed mother, Mad Maxine--life sails right past bad to stinking. Then again, she's just a temporary kid, they're just temporary parents, and she definitely doesn't have any ideas about making any of this permanent. God, on the other hand, may have other plans altogether.
