Von Laura Lippman : In Big Trouble (Tess Monaghan) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Big Trouble (Tess Monaghan):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lippman scores again with another fantastic bookVon Ein KundeLaura Lippman once again proves she's one of America's hottest new mystery authors with her latest entry in the Tess Monaghan series, IN BIG TROUBLE. This time, Tess has to leave her precious Baltimore to search for a missing person in Texas -- and he just happens to be her old

boyfriend, Crow. It's fun to see Tess as a fish out of water, and there's some great comic relief, especially the Vietnamese owner of the motel Tess stays in (she's hooked on junk food and Spanish soap operas). Fans of Julie Smith and Sara Paretsky should give Lippman's PI a try. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lippman Does it Again Von New Momma Tess Monaghan shines in Lippman's new novel, IN BIG TROUBLE. Tess is portrayed, as always, as a completely believable and yet extremely strong female character. Finding her ex-boyfriend Crow, and solving the murders that surround him, make for a very interesting and entertaining read. Lippman's writing style also lends to the enjoyment of this book. I highly recommend it; however, if you've never read Lippman you should probably start at the beginning of the "Tess" series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Texas Tess Von V.T. Too In this entry, Tess is GTT -- gone to Texas. This mystery plays out on the streets of San Antone and Austin to great comic effect. Having lived in both Texas and Baltimore, it is a special hoot to read about Tess's doings with the characters and the cuisine of the Lone Star State. Tess is a big strapping gal let loose in a big strapping state. Unfortunately, as with other Tess stories, the plot is a bit weak compared with the characters. That said, this is a very enjoyable read.

Kurzbeschreibung Meet Tess Monaghan - ex-Baltimore Star reporter and accidental PI - as she investigates cases of murder, corruption and injustice in Charm City . . . What would you do if the man you'd loved and lost was suddenly on the front page of the newspaper under the heading: IN BIG TROUBLE? If you're Tess Monaghan, P. I., then you go searching for answers, even if they reopen painful wounds and could lead you into the path of a deadly killer. 'Tess is a heroine with a nose for what she is not being told, and she is never content with half the story. These Baltimore novels are effective thrillers, because they are stories about wanting to know what happens next.' Times Literary Supplement Werbetext For PI Tess Monaghan secrets from the past can be murder . . . From the author of WILDE LAKE.
