Rockstar Hollywood Love StoryVon BeaWer so auf Rockstar, Hollywood, Love Stories steht, fr den ist dieses Buch sicher auch was!Mir war es hier und da zu viel und zu bertrieben, vor allem das Ende, aber im Groen und Ganzen hat mir das Buch gefallen.Gerade bei diesem Thema gibt es ja wirklich viele grausame Geschichten, da hebt sich diese, meiner

Meinung nach, hervor. Eine schne, harmlose Geschichte, die man schnell mal durchlesen kann.

Kurzbeschreibung My name is Olivia Bloom and I. Am. Free. I left for LA with everything I owned piled into my old Volkswagen and dreams of becoming a costume designer. Little did I know I'd wind up designing for a lingerie company yeah, not sure how I landed this gig and taken under the wing of two young Hollywood insiders. The fashion shows and parties were great, but life really got exciting when the seriously hottest lead singer of my favorite band started to fall for me. How does someone like me, an ordinary girl from Pittsburgh, wind up in the arms of the world's sexiest rock star surrounded by celebrities, fashion, and music and not be eaten alive? Berkeley is everything I've ever dreamed of in a boyfriend, but the paparazzi, the tabloids, the rumors, it's all getting a bit too crazy. My life has become every girl's dream come true, if only I don't blink and lose it all.
