Von Jan Bowles : In Debt to the Dom [Guilty Pleasures 1] (Siren Publishing Classic) before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Debt to the Dom [Guilty Pleasures 1] (Siren Publishing Classic):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. erotic story about submission... Von Magritte What to expect of a 92 page erotic short story? Well generally I don't expect to have time for any in depth understanding of the character then I expect a lot of often meaningless sex and finally a fast happy end where the relation is mainly based on the physical attraction. This is for me what I find most and what I

enjoy only little. What to expect here? This is the first part of the guilty pleasure series. -In Debt to the Dom [Guilty Pleasures 1] (Siren Publishing Classic)-Bought for the Billionaire's Bed [Guilty Pleasures 2] (Siren Publishing Everlasting Classic)-Tamed by the Dom [Guilty Pleasures 3] (Siren Publishing Everlasting Classic)- Love Slave to the Sicilian Billionaire [Guilty Pleasures 4] (Siren Publishing Everlasting Classic)- Claimed for the Master's Pleasure [Guilty Pleasures 5] (Siren Publishing Everlasting Classic)The story is simple. Maddie works for Keaton, the CEO. She applies for a new position in his firm, which she does not get being too young, but she does attract his attention on a physical level. When she gets blackmailed, her sister having been kidnapped, she does not have the 500 000 dollars because her house is not yet sold. So she steals it from Keaton's company. This of course does not go unnoticed. He gives her a choice: call the police or do anything he expects from her until she gets the money from the house... The attraction being mutual and anything being better than prison she accepts him as her master. Begins her education in submission and ultimately love. What to expect on an erotic level?The story is not overly sexual, I would say it is a erotic and not a pornographic work. The reader is not reading every single relation between the two but I found it well balanced. There was D/S, light bondage, blindfold, a sex toy and traditional, oral and anal sex. The idea with the key was nice, the scenes nicely described and as it has to be in a good D/S relationship a lot of control, pleasure and caring. Safe sane and consensual are the basic rules of domination and I did not have the feeling that these have been violated even though one can discuss this as she does not know that he would not force her, the erotic game with the gun can also be considered very dangerous... call me superficial but I read so many more absurd and dangerous things that it did not really disturb me. The result is a fun nice fast read, with nice sex scenes and some understanding of the main characters. I will try the other books of Jan Bowles as I liked this one. If you are looking for a nice erotic and romantic tale about some slight submission, give this one a try. Enjoy the read MBTM
