SeitenfüllerVon Dr. Klaus WeberIn Fire Forged - diese Sammlung sehr miger Geschichten dient wohl vor allem dazu genug Seiten zu füllen um ein Buch zu ergeben. Der Beitrag von David Weber ist lieblos zusammengeschrieben. Eingestreute bekannte Floskeln wie "ein kalter Blick, der das Innere eines Sterns gefrieren lassen wrde" wirken hier nur noch peinlich. Schade bei einem Autor mit so viel Potential. Seine Ausfhrungen ber moderne Sternenschiff-Panzerung (eigenes Kapitel) sind schlicht berflssig. Am besten (sehr relativ) ist noch das Kapitel von Timothy Zahn, der hier aber auch unter seinen Mglichkeiten bleibt. Der Held Charles, ein Mann mit unglaublichen Informationsquellen ohne irgendeinen Hintergrund im Honor Harrington Kontext wirkt immer wieder wie ein Deus ex Machina... ohne authentische Persnlichkeit, ohne erkennbare Motivation. Der Plot humpelt ziemlich. Auf eine Geschichte wie Ruthless von Jane Linskold hatten wir ja vielleicht gewartet um zu erfahren wie Prinz Michael Winton mit seiner spteren Frau zusammengefunden hat. Noch die originellste Grundidee im ganzen Buch aber eine sehr langweilige Umsetzung.Wer in Fire Forged nicht kauft hat nichts versumt.0 von 1 Kunden fanden die folgende Rezension hilfreich. kreative GeschichtenVon uli ulrichHier sind drei Storys, von Jane Linskold, Timothy Zahn und David Weber selber. Jede Geschichte hat natrlich Bezug zu "World of Honor". Vor allem man erfhrt woher der Hass von "Man-Power" und Mesa kommt .Dann werden zwei andere Autoren vorgestellt und schon hat man -via - wieder neuen Lesestoff.Ich liebe diese Anthologien , sie geben zuztlich Farbe und Information.Die drei Geschichten sind spannend , jede auf ihre Art , jeder Autor hat andere Prioritten und alles ist wirklich vergnglich zu lesen.2 von 9 Kunden fanden die folgende Rezension hilfreich. My OpinionVon Volker KuhlmannThis book is an OMNIBUS version containing all three "DAHAK" novels by Mr. Weber.Apart from very enjoyable reading these novels should also appeal to your sense for polished sarcasms and some very "black" humour.Highly recommended.Thank you, David.

KurzbeschreibungHonor Harrington is arguably the most popular character in modern science fiction, but there are many other stories in the Honorverse besides those in which she has the central role. This fifth volume in the popular Worlds of Honor series explores some of those stories with the help of such top writers as best-selling author Jane Linskold, New York Times best-selling author Timothy Zahn, and moreincluding an all-new Honor Harrington adventure, set in her younger years, when a mob of space pirates made the mistake of tangling with Commander Harrington. That was a fatal mistakefor the pirates . . .At the publisher's request, this title is sold without DRM (Digital Rights Management).David Weber is the science fiction phenomenon of the decade. His popular Honor Harrington novels repeatedly make the New York Times best seller list and cant come out fast enough for his devoted readers. He has also written the popular Safehold series for Tor, and a best-selling epic SF adventure series in collaboration with John Ringo, with four novels so far: March Upcountry, March to the Sea, March to the Stars and We Few. His Wind Riders Oath, another New York Times best seller, continues his popular Bahzell fantasy adventure series.KurzbeschreibungHonor Harrington is arguably the most popular character in modern science fiction, but there are many other stories in the Honorverse besides those in which she has the central role. In the hugely popular Honor Harrington series, the spirit of C.S. Foresters Horatio Hornblower and Patrick OBrians Master and Commander lives oninto the galactic future. Books in the Honor Harrington and Honoverse series have appeared on fourteen best seller lists, including those of The Wall Street Journal, The New York Times, and USA Today. While Weber is best known for his spirited, modern-minded space operas, he is also the creator of the Oath of Swords fantasy series and the Dahak science fiction saga. Weber is has also engaged in a steady stream of bestselling collaborations including his Starfire Series with Steve White, which produced the New York Times bestseller The Shiva Option among others. Webers collaboration with alternate history master Eric Flint led to the bestselling 1634: The Baltic War, and his planetary adventure novels with military science fiction ace and multiple national best-seller John Ringo includes the blockbusters March to the Stars and We Few. Finally, Webers teaming with Linda Evans produced the

bestselling Multiverse series. David Weber makes his home in South Carolina with his wife and children.
