**Von Rhys Bowen : In Like Flynn (Molly Murphy Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised In Like Flynn (Molly Murphy Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Molly in upstate NYVon Isabelle KleinDiesmal (4. Fall) ermittelt Molly im Auftrag Daniels undercover in upstate NY im, Hause eines irischen Senators, als dessen Cousine sie sich ausgibt. Sie soll ein Geschwisterprchen entlarven, das angeblich "medial" veranlagt ist. 5 Jahre ist der Sohn des Senators nun schon tot, doch seine Frau kommt nicht zur

Ruhe und will Kontakt zu ihm...Wie immer bin ich von Molly begeistert und der Darstellung Rhys Bowen (sowohl die der Charaktere als auch der Zeit!). Wie immer gelingt es der Autorin die Zeit und die Atmosphäre zu erzeugen und den Leser zu fesseln. Hintergrundber die Anfänge der Psychologie und den Beruf des "alienist" werden gekonnt eingeflochten, als auch die Erzeugung von Ektoplasma u. das Fahrrad. Soweit so gut.Doch diesmal gab es mit etwas "zu viele" ungelöste Probleme, die dann letztendlich alle etwas "zu zufällig" zusammenhingen sowie ein etwas zu berrachendes und spektakulres Ende mit einer eher mittelmigen Auflösung. So ermittelt Molly nicht nur gegen die Schwestern sondern auch in dem Fall der Kindentführung, will auch sich dem Ex- Kindermädchen helfen, trifft dann die ehemalige Pflegerin der Senatorengattin usw ... All das war doch etwas zu viel des Guten.Klasse wiederum war die persönliche Entwicklung(Daniel ;!) und die Figur der Molly an sich dargestellt, deswegen alles in allem 4,5 \* da sich m. E. nach diese Serie immer noch weit über dem blichen Niveau bewegt und auch dieser Fall einfach wieder köstlich ansant war und mich bestens unterhalten hat mit dem ganze Ektoplasma und Co.Insgesamt aber für mich der schwächste Fall, aber dafür ein gelungenes Setting (upper Ny State). Deswegen heute ausnahmsweise mal nur 4 Sterne und der n Teil liegt schon zum lesen bereit! Ich hoffe dafür gibt es wieder 5 Sterne.Für die Auflistung der ganzen Serie schaut einfach mal in meine molly murphy liste!Und wer von bowen nicht genug bekommen kann, dem sei auch ihre Lady Georgianna Serie empfohlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. The gardener is always the culprit? Or isn't he?Von WombatsbooksMolly's fourth case takes her away from the city and onto Senator Barney Flynn's estate Adare. Daniel Sullivan has sent her there on an undercover assignment: she is to help expose two spiritualist sisters as frauds. Unbeknownst to Daniel spunky Molly has also taken on another "assignment" to take care of while at Adare: the Flynn's former nurse was accused of aiding in the Flynn's toddler son's kidnapping five years ago and has been unable to find employment ever since...Not only does Molly happen to experience living an elegant lifestyle, the freedom of breeches or riding a bicycle, she also has to face her worst nightmare in "In Like Flynn" ...Bowen did a marvelous job depicting life at the beginning of the 20th century and placing her feisty heroine Molly amongst the rich and sometimes idle outside NYC. She created a very real scenery for a backdrop. Some of the characters in this one may be a bit predictable, but nevertheless all the characters are well conceived believable. Just when you think you may have figured it out, there is another twist to keep you guessing!"In Like Flynn" is Molly's fourth case and Bowen gets better with each book! I wonder just \*how\* good she is going to get! IMHO she just can't get much better! Am very much looking forward to reading No. 5 "Oh Danny Boy"!0 von 0 Kunden fanden die folgende Rezension hilfreich. More pleaseVon I love sportsNew storylines set against a new background and scenery. Rhys Bowen's versatility is hugely enjoyable and absolutely worth reading. About to purchase the sequel...

KurzbeschreibungMolly's sixth sense is warning her danger and death lie ahead!A woman private eye in a man's world, Molly Murphy is having a hard time succeeding in running her detective agency in New York. That's why she agrees to go undercover for the NYPD to expose a pair of spiritualist sisters as con artists even though the offer of work has come from police captain Daniel Sullivan. Sullivan had once won Molly's heart until she discovered he has a socialite fiancée and an upcoming society wedding. Still, needs must, and so Molly finds herself posing as an Irish cousin at the uptown mansion of Senator Barney Flynn. Flynn's invalid wife hopes the psychic sisters can contact her dead son, kidnapped and lost in a sensational crime, and after a spooky séance, Molly isn't so sure the sisters are fake but she's certain the police bungled the kidnapping case. But very soon her questions are leading her to danger and it doesn't take a psychic to tell Molly that if she continues she may very well end up dead!From Publishers WeeklyIn Bowen's absorbing, well-plotted fourth entry in this Agatha Award-winning historical series (after 2003's *For the Love of Mike*), Molly Murphy's former beau, policeman Daniel Sullivan, arranges for Molly to leave New York City (and the rapidly spreading typhoid epidemic of 1902). The police are interested in the Sorensens, a pair of sisters working as spiritualists, whom they want to expose as fakes. Molly joins the upstate household of Sen. Barney Flynn, posing as one of his numerous cousins recently arrived from Ireland. Flynn's wife, Theresa, has invited the Sorensens to the Flynn's Hudson River estate because she wants to make contact with her missing son, presumed dead after disappearing in a kidnapping attempt several years before. Molly also plans to investigate what happened to the Flynn's son at the behest of the child's nurse, who was implicated in the crime but still proclaims her innocence. Determined to get at the truth, the redoubtable Molly has to confront a dark part of her own past before this complex tale comes to a bittersweet and heartfelt conclusion. All rights reserved.From BooklistMolly Murphy escapes the typhoid epidemic in New York City in 1902 by going undercover as a cousin of Senator Barney Flynn in his house above the Hudson River. Flynn's wife still mourns the kidnapping and death of their son, and she has turned to spiritualists for solace. Molly, while investigating the spiritualist sisters, also tries to untangle the web around the kidnapping. Told in the first person, Molly's adventures strain credulity a bit this time: more than one attempted rape, a poisoning where she forgives and dismisses the guilty party, and the reappearance of an evil figure from her past whom she thought was long dead. Even the Black Hand and the orphan trains play roles. Meanwhile, Molly toys with the affections of an Irish police officer and a Jewish anarchist

and is toyed with in return. Too much, to be sure, but series fans will want to see what happens next. GraceAnne
