Von Lorena McCourtney : In Plain Sight (An Ivy Malone Mystery Book #2) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Plain Sight (An Ivy Malone Mystery Book #2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Really nice second part, although not so surprising as the first oneVon Elia Ruiz Sandovall bought this book right after finishing the first one and I did not regret it. It continues with the tension of the first one, it is a little slower, but the

story is as much funny and the characters are nice too.I recommend it too.

KurzbeschreibungEver wonder how a little old lady with possum-gray hair could wind up on a homicidal hit list? Well, nothing is too outlandish for Ivy Malone. She's back and she's brought her mutant curiosity gene with her. And ever since the evil-intentioned Drake Braxton and his family threatened to make road kill out of Ivy, her life has been crazier than ever!With the ever-present threat of looming Braxtons, Ivy decides to get out of Dodge for a while. But for someone who slides down banisters and drives a T-Bird, hiding from the mob does not come easily. And when strange things start happening to her new neighbors, Ivy's snooping sense kicks into overdrive. Will she unravel the mystery? Or will the threats to her safety scare her away? With Invisible, readers laughed so hard they cried. In Plain Sight, the second Ivy Malone mystery, promises to be even better!KurzbeschreibungEver wonder how a little old lady with possum-gray hair could wind up on a homicidal hit list?
