Von Catherine Dunne : In the Beginning (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Beginning (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
MittelmssigVon AliEin an sich ergebnisses Thema wird hier ohne Spannung abgehandelt. Die Protagonistin findet sich in der Situation wieder, sich mit ihren drei Kindern allein durchschlagen zu mssen, nachdem sich der Ehemann aus dem Staub gemacht hat. Dies bedeutet Hochs und Tiefs, fhrt aber am Ende doch zu einer Emanzipation und zu einem Neuanfang.Ich habe schon mehrere Bcher von Catherine Dunne gelesen. Dieses geht m.E. zu den schwcheren. Irgendwie will kein Schwung in die Sache kommen, und ich wurde den Eindruck nicht los, dass der Autorin tatschlich

ein wenig Lust und Inspiration fehlten.0 von 0 Kunden fanden die folgende Rezension hilfreich. A succinctly written story about the end of a marriageVon Susan ConnorCatherine Dunne's first novel introduces us to Rose, a wife and mother for twenty years, whose husband has left her. The story moves quickly, and presents the beginning, middle, and end of the marriage, as well as the beginning of a new life for Rose and her children, in a carefully crafted dance of words. In one chapter we are with Rose as she is now, the next reflects a time in her past. This new writer lets us into Rose's journey as she looks for the strength she never knew she had, and revels in the fact that she never knew she needed it! I couldn't put this book down, and Ms. Dunne is adept at looking at slices of life, letting her characters live it, and letting us get to know them in the process.,0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the top ten books I've read this year.Von Ein KundeThis is a brilliant story of a middle age woman whose husband of 20 years decides he doesn't love her any more and leaves her. Page by page you see Rose emerging from her shattered marriage growing stronger and wiser. Beautifully written. I hope we hear from this author again.

KurzbeschreibungIn the beginning there was a very ordinary family Ben, Rose, and their three children. Then, one morning, without warning, Ben leaves and Rose is left to face life alone. This is the story of Rose and Ben's marriage and how Rose struggles to reinvent her life when he has gone.'Beautifully written, perfectly paced and very, very moving.' Roddy DoyleCatherine Dunne is the prize-winning author of nine novels, the most recent of which is *The Things We Know Now*. She has also published one work of nonfiction, a social history of Irish immigrants in London, called *An Unconsidered People*. Catherine was awarded the International Prize at the Vigevano Literary Festival in Italy in 2006, and has been shortlisted for, among others, the Kerry Group Irish Novel of the Year Award and the Italian Booksellers Award. In *The Beginning* was her first novel. It was translated into several languages and became an international bestsellerCatherine Dunne lives in Dublin.KurzbeschreibungIn the beginning there was a very ordinary family Ben, Rose, and their three children.
