Dom and DommeVon MagrittePart 6 in Mrs. Cartwright Mastered Series is hot and interesting as her other books.I generally like her books, they are kinky and hot, the plot starts off nicely, but generally I lose interest after having read half of it knowing how it will go on. I have to admit it was the same here.Master Damien Lowell is the owner of the private BDSM club the Den! And one can say he really owns the place. His interest is caught by beautiful Catrina Davidson and he wants to submit her. Well nothing special her if Catrina would not have been a Domme for many years, used to submit other to her will not to bend to someone else.Damien suggest that she needs to submit in order to understand her subs and whom better than an alpha dom (yes he deserves this title) to submit her. She hesitates at first knowing that this man will ask more than only her physical submission he wants all of her and she does not know if she is willing to give it to him.Oh my I do want my own personal loved Master Damien. The way he takes care of Catrine, calling her Mylady, making her feel how special she is, accepting and apologizing when he lets her down HE made the book worth reading!I enjoyed the plot and the characters (especially Damien, but you understood that didnt you?). The sex scenes were hot and exiting, tempting even.But there were some lengthA good read however. I will keep reading.Enjoy the read MBTM

KurzbeschreibungFROM INTERNATIONAL BESTSELLING EROTIC ROMANCE AUTHOR SIERRA CARTWRIGHTEven Racier Than Fifty Shades ~ Mail OnlineCartwrights writing is wonderful. The words flow easily, and as with earlier books I was seduced into the world she creates. Also, as Ive mentioned in other reviews, she has a knack of teaching about the BDSM lifestyle through her books without detracting from the erotic, without making it seem like an actual lesson. Everything seems natural and the story rolls effortlessly. ~ Long and Short s/pBook six in the Mastered series.What could be headier than the surrender of a powerfully dominant woman?Dom Damien Lowell has always respected Domme Catrina Davidson. He likes the way she interacts with her subs, confident, kind, firm. And for years hes fantasised about her submitting to him. What could be hotter than having the sexy Domme squirming beneath his lash?One evening, Damien challenges her, saying shed be a much better Domme if she experienced submission...to him.Catrina doesnt have a single submissive tendency. But shes oh-so turned on when she watches a sub respond to Damien. A secret part of her is intrigued, and she asks herself, what harm can come from giving him two weeks?Over the next fortnight, she is introduced to the pleasures and perils of servitude. She has to admit that hes righther understanding of submission is deeper, more profound, than it would have been otherwise. But the private experiences they share in the Den leave her emotionally shattered, making her question everything she thought she knew.In her unique way, Catrina too, challenges Damien, forcing him to grow as a Dom, and he wonders how the hell hell ever be able to let her go.KurzbeschreibungFROM INTERNATIONAL BESTSELLING EROTIC ROMANCE AUTHOR SIERRA CARTWRIGHTEven Racier Than Fifty Shades ~ Mail OnlineCartwrights writing is wonderful. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice! Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texaswhere, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?) Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits. She invites you to take

a walk on the wild sidebut only if you dare.
