Von Carlene Thompson : In the Event of My Death (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Event of My Death (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. MOVE OVER MARY HIGGINS CLARK...THE HEIR APPARENT IS HERE...Von lawyeraaIf you are a reader who enjoys novels of suspense, then surely you will find this one to be a rip-roaring good read. There are enough red herrings, enough twists and turns, to keep one guessing until the very end. So, hang on to your seat and enjoy the ride!The

premise here is simple. Thirteen years ago, six teenage girls who had formed a secret club called the Six of Hearts, decide to let loose, drink, and dabble in a pseudo satanic ritual in a deserted farmhouse in Wheeling, West Virginia. Before the night is over, one of them ends up dead. The surviving five swear to a pact of secrecy to never reveal what really happened. Thirteen years later, one of them dies a violent death at the hand of an unknown person who leaves behind a clue that those who were members of the Six of Hearts club are at risk. Laurel Damron, a flower shop owner and one of the club members, begins to receive chilling mementos which can only mean one thing: that she, too, is marked for death. One by one, all the remaining club members claim to have received frightening mail which lead them all to the same conclusion as Laurel. Who will be next, and who is responsible for this? That is a question upon which the reader may well ponder, as the reader sifts through the byzantine twists in the plot. Gripping and absorbing, this novel is sure to hold the reader in suspense until the very end. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Just Missed Being Great Von Dawn M. Brown This book engaged the reader from the first page. It was interesting and suspenseful, however it lacked continuity and its characters were somewhat nonsensical. The main character, Laurel, is presented as the typical heroine, sensible, cautious and level-headed. Her impulsive decision at the very end of the book, therefore, is completely out of character, and one gets the impression the author just wanted to wrap up loose ends by creating a convenient ending. The killer, once revealed, is a stereotypical sociopath, and the killer's reasons for murdering "The Six of Hearts" are cliché and silly. Although it seemed Thompson was deliberately obscure at times, the book was enjoyable to read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. In the Event of My Death Von Ein Kunde I absolutely loved this book! An "easy" read, hard-to-put-down and kept you guessing until the very end... I am reading another book of Carlene Thompson's "Black for Remembrance" and it is going to be just as thrilling I can tell. I love her work so much, I just ordered her other two books. Great writer...if you love great mysteries, pick up on of her books...you'll love it!

Kurzbeschreibung They were once six teenage girls in Wheeling, West Virginia. Acting wild. Having good times. And getting into trouble. They called themselves the Six of Hearts. Then one night things went too far. One of them died. The rest swore to never tell what really happened. Now, thirteen years later, someone has decided to kill the five remaining members of the Six of Hearts. The first to die is Angie, a successful New York City actress. And flower-shop owner Laurel Damron, still living in Wheeling, may be next. She has received a chilling message in the mail. She knows a killer is watching her. But who? Only by searching the past can she uncover a haunting truth . . . only by looking deep with herself can she uncover a lost memory . . . and only by suspecting everyone she knows, does she have one slim chance of staying alive . . . Pressestimmen "Thompson is a mistress of the thriller parvenu." --Fear
