**Von Emma Holly : In the Flesh (Black Lace)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised In the Flesh (Black Lace):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Ten Stars! Von K. Hewitt In The Flesh is excellent! Holly has paired together two of her best and strongest characters to go

head to head in a tale that is a romance as well as erotica. Like all EH books the storyline is seamless and well written, but I may have to call *In The Flesh* my favorite. After *Velvet Glove* I was not looking for a story that mixed in elements of light bondage, *In The Flesh* does that perfectly. Actually it is barely there, and it is intrinsic to the romantic theme in the story. I keep underestimating Ms. Holly's ability to top herself and every time she proves me wrong. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Another winner from Emma Holly Von Barbara O'Neill I have to admit, Emma Holly is my favorite Black Lace author. She always combines high sexuality with a satisfying love story and "*In the Flesh*" is the latest in a string of winners for her. I liked the two lead characters, David and Chloe, what they went through to end up in a committed relationship with one another, the story line and the motivations for their actions. Their dark moments drew them closer together and made them realize that they were destined for each other. The bondage in the story is quite light and fits perfectly into this story which is never rough or raw. Ms. Holly continues to show why she's a top-notch author of women's erotica.

Kurzbeschreibung Dancer Chloe Dubois is a heady combination of innocence and sultry seduction, and Japanese-American businessman David Imakita will risk everything he has to keep her: his career, his friends, even his integrity - such is her power over him. But who is this temptress and what does she want? Is it money, prestige or just love? David's ex-Sumo bodyguard, Sato, believes Chloe will cause havoc in their ordered lives, and turns up information on her that is far from pretty. The warning signs are there, but it is already too late for David, who is under her spell and besotted. Will this unrepentant temptress overturn her wild ways and accept the opportunity to change her life for the better, or will the dark family secrets of her past resurface and destroy them both? Pressestimmen "Fan of bolder romances will relish the potent combination of heady sexuality and intriguing characterization." (Publishers Weekly) "Emma Holly's gift for sensual detail is absolutely stunning." (Susan Sizemore Award winning author of *The Pride of Innocence* and *I Burn For You*) "Not only are you going to need asbestos gloves - you're gonna need a whole asbestos SUIT!!!!" (RBL Romantica) Pressestimmen "LIP-CURLING STUFF FOR STEAMY DAYS AND NIGHTS" THE GUARDIAN 'Sizzling...the most sexually explicit reading material available' Cosmopolitan"
