Von Katherine Kingsley : In the Presence of Angels (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Presence of Angels (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Faith and LoveVon ladybug10Major Lord William Fitzpatrick has the gift of knowing when he is in the presence of angels. A man of faith at odds with his military career, he befriends Val, a man who over the years shares with him his wife's correspondence. Will develops an idealized vision of what Val's life must have been like, and falls in love with that

vision. Val dies in his arms at Waterloo, and Will leaves the Army a year later, returning to England with some trepidation in hopes of reconciling with his estranged twin brother. Fate decrees otherwise-Val finds himself sidetracked to the farm of Val's widow, where he gradually discovers how much of a gulf exists between his fantasy and the reality of the life his dead friend lived. The constant in his experience is Louisa, Val's widow, with whom he falls deeply in love. Louisa has encased herself in layers and layers of cynicism as she struggles to repair the damage her marriage did to her family. Will and Louisa stand in counterpoint to one another, he the wounded optimist, and she the bitter, angry pessimist. KK's story takes us through their transformation into lovers, and the impact of their love on their lives. This story kept my attention so thoroughly that it was 1 AM before I realized how long I had been reading. The characters - Will moreso - think and talk about God without apology, neutrality, or embarrassment. I found Will's faith humbling. The story does juxtapose spiritual themes with explicit sexuality, and it is possible that this could be uncomfortable for some readers. However, I found that it gave the book more depth, because it required me to think a little more, and in a different way, about the nature of divine goodness and human love. I recommend this novel highly. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Into the use of too many words Von Linda Pecone I had a hard time forcing myself to finish this story. I skipped over half of it. The words did not flow well in this story. The characters did not speak as true persons would speak. Their lines were written as though they were to be read and not spoken. I did not feel any chemistry between Louisa and Will. She was forever nasty to him. He was always too understanding of her nastiness. Honestly, I could not understand what he saw in her. After he realized she was not the woman of her letters, it was not clear why he even bothered with her. Will was a nice man, but he inspired no passion. I felt he was too weak and not hero material. Their love scenes were silly, the descriptions were so uncreative and not in the least passion inspiring enough, "His warm lips tasting her until her knees went weak and her entire body shook with longing." How silly, the lust just is not there for me. I think the author used this novel to preach her opinions on angels and God. Really it was all so silly. Will saw more angels than the Profits I think. One more criticism, Pip, Louisa's little 9 year old, spoke far too wisely for a child of her age. She was far too mature and experienced for one so young. In one scene she says "John Henry has a prodigious imagination." Really how many adults would say such a thing? I could go on and on with criticism, but I won't. Suffice it to say I skipped through to the end because I just kept getting too embarrassed for the author. The book was so amateur. How she ever became a best selling author scares me. I need to be more careful on choosing books simple for this reason. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kingsley knows how to write what readers want Von Ein Kunde For the past five years on the French front, Lord William Fitzpatrick precariously lives through the letters his friend Val Merriem received from his spouse Louisa. The notes were uplifting as they discussed Val's family. At Waterloo, William holds onto Val who dies in the battle. A year later, William has left the army to come home, but decides to detour to give Louisa letters that Val possessed. When he reaches Broadhurst Farm, William is shocked by the dilapidated conditions that are nothing like the utopia he thought. Louisa is a bitter person and her father acts like he suffers from battle fatigue. Only Val's little girl Pip shows any energy. William accepts a farm hand job and begins to pump life back into a family that Val destroyed before he joined the army. Louisa and William fall in love, but when she learns the truth about his identity, their relationship will end. IN THE PRESENCE OF ANGELS is an interesting, character-driven Regency romance. The cast propels the story line as each adult suffers from a traumatic situation that has left them with demons. The lead couple is an endearing duo and the support cast brings out their better qualities. Katherine Kingsley provides sub-genre fans with a warm romance that will be cherished for its insightful look at the era. Harriet Klausner

Kurzbeschreibung In Regency England, a case of mistaken identity is exactly the miracle a widow is searching for. From bestselling author Katherine Kingsley. Touching and tender filled with the strong spirituality that has become a hallmark of Ms. Kingsley's romances. The powerful love story of IN THE PRESENCE OF ANGELS will certainly take you out of the ordinary. Romantic Times Louisa Merriem is in danger of losing her farm after her husband dies in the war at Waterloo. When she places an ad looking for a man to help around the farm, she never expects someone as handsome and mysterious as Will Cutter to arrive on her doorstep. Unsure of whether this stranger is trustworthy, Louisa is left with little choice if she wants to save her farm. Mistaken for a common worker, Major Lord William Fitzpatrick doesn't know how to confess his identity to Louisa, the widow of his best friend and comrade in arms. Despite falling in love with her after reading the letters she'd sent her husband, he means only to pay his respects. But committed now to saving her farm, he wants more than just her trust, hoping the vulnerable widow will learn to love again. Wonderful winning tale that will provide much pleasure to readers of historical romance. *Affaire de Coeur* magazine This beautiful romance, obviously written from the heart, will have you believing in love and the presence of angels. *Old Book Barn Gazette* An emotionally stirring Regency romance that reaches deep-down inside and touches the reader's soul. Katherine Kingsley has done it again this is a definite keeper. *Stardust Sprinklings of Romance Pressestimmen* "Katherine Kingsley is a writer of infinite grace and perception." --*Romantic Times* "Katherine Kingsley is a master of deep emotion." -*Under the Covers Book s* "Ms. Kingsley is such a marvelous author that you

can't help but laugh and cry with joy and love while reading."--Bell, Book and Candle
