A wonderful love storyVon Ein KundeLike any romance novel, the happy ending in this novel is inevitable. However, the journey to this happy ending is particularly enjoyable. Serafina and Aubrey are meant for each other, of course, but an odd aunt and a mysterious sub-plot add to the enjoyment of the book0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as good as Once Upon a DreamVon pontmarieSerafina is like a fairy appearance in the

woods when Aidan sees her and they fall in love. Unfort, she is about to be married. And that, my friends, is the plot. Do we doubt they will end up together? Not really. Once Upon a Dream is much better.
