Von Brandy L Rivers : In Too Deep (Others of Edenton Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Too Deep (Others of Edenton Book 1) (English Edition):

Kurzbeschreibung 18+ adult content Brody is a talented motorcycle mechanic and werewolf stuck in his painful past. On yet another depressing night, he is viciously attacked by vampires. Fallon is a brilliant tattoo artist with inherent magic. Tired of men and their games, she climbs onto her Harley and leaves her old life behind. Running for his life, Brody crashes into Fallon and sparks fly. She ends up stranded in the Northwest with her ride out of commission. With no ride and nowhere to go, Fallon allows her best friend to convince her to stay in Brody's apartment. He's determined to claim her heart and keep her safe from the shadows in her past. Fallon prides herself on her independence and would rather keep him safe, even from herself. With the impending danger from the group of vampires and dark mages, they will have to work together. The closer they get, the harder it is for her to fight her attraction. Be prepared for monsters, magic and lots of ink.
