Von Robert Bradshaw : In Your Eyes (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Your Eyes (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Abruptes EndeVon Anne SkywalkerDie beiden Protagonisten fhren die ganze Zeit ber eine Fernbeziehung und treffen sich erst im allerletzten Satz des Buches. Das pltzliche Ende berraschte mich wie der sprichwrtliche Knnpel auf den Kopf. Ansonsten fand ich es ganz ok. Es bleiben aber am Schlu noch Fragen offen. Da htte ich mir erheblich mehr Ausarbeitung gewnscht.Mir hat z.B. das thematisch hnliche Buch "Heartsight" von Kay Springsteen deutlich besser

gefallen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent read! Von M. Reynolds I thoroughly enjoyed Robert Bradshaw's new book. A very interesting story with lovely characters. I think it has the potential to become the next "Bridges of Madison County".0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating Story! Von Ein Kunde Scott McNealy is a true genius and the story of Sun is just so amazing. I thoroughly enjoyed Karen Southwick's chronicle of this powerful man and company.

Kurzbeschreibung You speak, I see; images before lost. You speak, I listen; opening closed souls. You speak, I feel; longing to love. Matt Reynolds, a visually impaired graduate student, refuses to let his handicap limit his life. Happy and confident even amidst the obstacles that challenge him daily, Matt allows only one thing to blind him - a belief that love will yield a dependence he is too proud to accept. Jane Bohlin volunteers at a recording studio that supplies recorded textbooks to visually impaired students. Still grieving the death of her husband, Jane is consumed by loneliness, afraid that her chance for love and happiness are gone forever. When Jane is asked to record a special reading project for Matt, their own story begins. Matt is instantly intrigued by Jane and her tender voice captures his heart. Jane, who has distanced herself from everyone she ever knew, welcomes Matt's friendship. As their relationship grows into a love they both desperately need, insecurities arise as Matt and Jane must come to terms with the demons of their pasts. In *Your Eyes* is a story about love and how love can overcome any impairment whether it be physical or emotional. Kurzbeschreibung You speak, I see; images before lost.
