**Von Anita Brookner : Incidents in the Rue Laugier** before purchasing it in order to gage whether or not it would be worth my time, and all praised Incidents in the Rue Laugier:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Wonderful - a vision of one possible lifeVon Ein KundeThis book is a wonderful example of practicality, romance, love and responsibility. The people in this book are very human and so are all their aches, pains and actions. cause and effect seems to be the main theme. I recommend this book to anyone who doesn't expect every book to be "fiction

lite".0 von 0 Kunden fanden die folgende Rezension hilfreich. depressing, dark, devoid of hopeVon Ein KundeThis book made me want to weep. A study in the downward spiral that we all ride only to find ourselves at the end of the rope, the chair kicked out from under our legs.

Kurzbeschreibung'I have reached the age when a woman begins to perceive that she is growing into the person whom she least plans to resemble: her mother.'Nadine has always wanted her daughter Maud to be married and off her hands. When the two women are staying at Nadine's sister's house near Meaux, they become part of a sophisticated, wordly group into which neither Maud nor Edward Harrison, a young visitor from England, seem to fit. Maud is swept off her feet by David Tyler, a stylish, irresponsible young man who robs her of her innocence and disappears. Edward, forced into adulthood by his inheritance of a bookshop, and thus a career, takes Maud into his care. But for both of them the shadow of Tyler is always there, illuminating their feelings of inadequacy, disappointment and loss.PressestimmenShe is funny, vivid and devastating in her observations. (Helen Dunmore, Observer)Anita Brookner has sublimely mastered the art of making her reader interested in her characters . . . a thoroughly enjoyable and most unusual novel. (Spectator)An enchanting, honest novel. (Time Out)Kurzbeschreibung'I have reached the age when a woman begins to perceive that she is growing into the person whom she least plans to resemble: her mother.'Nadine has always wanted her daughter Maud to be married and off her hands.
