KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Totally awesomeVon SarakeAs I read all the short stories I came to the conclusion that they are not only well written, but also very interesting and sexy. I really liked the story with the demon x incubus, as well as the one with the dragon x incubus, most likely because of the unexpected turn of events and a different perspective of demons and dragons (For your information: I've read stories with demons which are usually pretty rough with their partners and dragons which are most of the time pretty possessive in many ways) This is one of the best I've read so far and I recommend it to BL-lovers. Beware: Sexy detailed description which gives a real good picture with a little imagination. I will not spoiler as I am not a killjoy. Confirm it yourself how good these short stories really are. You will not get disappointed.

KurzbeschreibungAt 22000+ words, this 4-in-1 collection is a must-have for fans of paranormal and fantasy erotic romance! Four sexy shorts of hungry incubi getting their fill, featuring werewolves, demons, dragons and humans as their partners...WEREWOLF LUSTThane is a young incubus on the prowl for his next meal. His worries that he will have to settle for yet another unsatisfying encounter are blown away when he meets Brandon, a rugged man exuding the type of energy Thane finds irresistible.Thane isnt the only one with a secret, however Brandon is a werewolf. And hes not happy when he realizes hes being preyed upon by another creature of the night. Of course, Brandons plan to assert his dominance over Thane proves to be intensely satisfying for the both of them VISIT FROM A DEMONKalen is an incubus working in the tavern of his isolated valley town. The monotony of his everyday life changes when he hears about a mysterious traveler who seems to be more than human. The second Zander approaches him, Kalen knows he's unlike anyone he's ever met before. Regal, gorgeous, and powerful, Zander is deeply tempting fare for any incubus.An invitation to have dinner together turns into something more when Zander reveals his true self: a demon making a visit from the otherworldly realm. And he's looking to have some fun."An earthly incubus like you... would surely work for a meal like this, yes?"How could Kalen say anything other than yes? SERVED BY THE DRAGONAfter receiving a letter from his cousin asking for a favor, Lionel finds himself alone in her large mansion with the duty of watching her pet dragon, Zeke. Though Lionel is not exactly human himself, he is unsure how to deal with an intelligent creature who can speak back to him. When night falls, a mysterious man appears at his door, and reveals himself to be Zeke. What's more, after hearing that Lionel will soon need to feed, he's insistent on having sex with him!Lionel finds it hard to refuse Zeke he's gorgeous, full of energy and, most importantly, enthusiastic to give Lionel whatever he wants. Once Lionel overcomes his hang-ups about having sex with a dragon, he decides to make the most of having Zeke at his beck and call... SATISFIED BY THE MASTERVincent was an incubus serving as a courtesan in a mainland court when he met Luis years ago. Infatuated with him, Luis took Vincent back to his small island nation, where Vincent now enjoys a wealthy life in Luis's mansion as his live-in lover. Unfortunately for Vincent, Luis has a penchant for taking frequent sea voyages, leaving Vincent alone with a steadily growing appetite.Though used to Luis's absences and compliant with his rule of exclusivity, Vincent is frustrated when his master's return home is delayed by bad weather. Luis finally comes back from the three-week-long voyage to find a very irritated, very hungry incubus waiting for his meal.And Luis had better satisfy him well.KurzbeschreibungAt 22000+ words, this 4-in-1 collection is a must-have for fans of paranormal and fantasy erotic romance!
