Von Elizabeth Bevarly : Indecent Suggestion before purchasing it in order to gage whether or not it would be worth my time, and all praised Indecent Suggestion:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Delicious...Von E. FroemelThe plot line like most of Bevarly's romances is totally fantasy. However it's so far fetched it's entertaining. If you are looking for a mindless enjoyable under the beach umbrella read this is your book.

Kurzbeschreibung There has been a mistake!When best friends Becca Mercer and Turner McCloud go to a hypnotherapist, they expect to be cured of their smoking habit. Clearly the treatment hasn't worked, because they're

both still smoking. Oh, and now they're having sex. Lots and lots of sex. And it's definitely changing things between them. Lovers come and go, but friends? Is she ready to sacrifice her best bud for the sake of a little--okay, a lot--of seductive satisfaction? And yet, how can she possibly resist such an indecently sensual suggestion? Can men and women have sex and still be friends? Kurzbeschreibung There has been a mistake!
