gelaunt... Von guddiwarum sind die frauen in den langlais romanen immer so verd.... schlecht gelaunt? verstehe ich nicht... fr mich war dieses mal die schlechte laune der heldin ein wenig zu viel des guten. und immer diese merkwrdigen aussprache die die zickigkeit der dame noch unterstrichen... och n... diese neue serie - sollte es denn eine werden- verfolge ich nicht weiter. die sex-szenen waren hei, aber der rest? zu schlecht gelaunt.0 von 0 Kunden fanden die folgende Rezension hilfreich. awesome readVon AriaAwesome read...problem is I don't much like how it ended. Either way the story was a thrill and the guys were total hunks. I recommend this book for readers who would not mind m/f/m action and no problem with paranormal romance. Also can't wait for the book on her best friend to come out. She is a very interesting character.

KurzbeschreibungIts TGIF, which means in a few hours Ill be tossing back a few martinis with my best friend, Brenda. First, though, I need to deal with my crazy new client, a werewolf who thinks its okay to pee on his neighbors flowers because shes a witch. What a shame hes obviously got a few screws loose because bad boy Pete is seriously HOT.His insanity must be contagious because I did the craziest thing later that night. I let my nemesis in the courtroom, assistant DA Anthony Vanderson, seduce me. In my defense, hes got mesmerizing blue eyesand a seriously sexy bod. Still, a woman should have some standards.With my sexual itch scratched, I should be able to go back to my awesome life as a single gal.Nope.My bad boy werewolf is determined to chase me, but hes got competition because Antony is also determined to make me his. Whats a poor girl to do? According to my best friend, both of them. But Im not ready to settle down in a threesome even if the tax breaks are awesome. Just like I dont want to get involved in the investigation surrounding the gory murder of some supposed witches.I guess a girl cant always get what she wantsbut boy, do my two suitors know how to give me what I need. Paranormal Erotic and Romantic ComedyWarning: This story has received a new look and title. Formerly known as Two's a Couple, Three's the Law. This story contains adult subject matter, menage situations and language that is not suitable for all audiences. Reader discretion is advised.KurzbeschreibungIts TGIF, which means in a few hours Ill be tossing back a few martinis with my best friend, Brenda.
