Von Gill McKnight : Indigo Moon (Garoul Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Indigo Moon (Garoul Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. not as good as "Ambereye"Von SandraThis is the third book in Gill McKnight's paranormal romance series.The second book in the series, Ambereye, was one of my favorites of 2010.This one wasn't quite as good, but still a solid, entertaining read with beautiful descriptions of the wolven senses.And for once, we have a character (Isabelle) who isn't overly

beautiful or doesn't think she is. The end could have been a bit longer to show Ren's motivation for keeping things from Isabelle. If you like paranormal romances, I recommend this series, especially the second book.

Kurzbeschreibung The road trip from Hell is paved with good intentions. Hope Glassy and Godfrey Meyers are on a mercy mission. Their friend Isabelle has been attacked by a rogue werewolf and is in the throes of lycanthropic fever. With their respective partners out of town all Hope and Godfrey can do is get Isabelle to the safety of Little Dip and the Garoul clan before her sire comes to claim her. In a desperate race against time, with the hounds of hell snapping at their heels, can they save her and does Isabelle want to be saved? Third in the Garoul Series.
