Von Candace Camp : Indiscreet before purchasing it in order to gage whether or not it would be worth my time, and all praised Indiscreet:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Candace Camp is as terrific as always!Von Ein KundeIn 1812, Benedict Wincross, Lord Rawdon, in the midst of fleeing from someone(s) shooting at him, accidentally runs into Camilla Ferrand. Both immediately act antagonistic towards

the other as they blame their current disorientation on the other. However, they both soon realize that they have a common need of the other. Camilla needs a fianc to accompany her when she arrives at her grandfather's home. Benedict needs an easy access to the same address so that he can investigate a smuggling operation that leads back to her grandfather's estate. The couple agree to fake a loving betrothal between them. As Benedict and Camilla try to fool her relatives into thinking that they are a happily married couple through a realistic performance, they begin to fall in love with each other. However, both have hidden the truth from the other. It seems that any long term relationship will not survive once their personal agendas become known to each other. They also have to worry about Benedict's enemies silencing them first before they can straighten out the tangled web of their personal lives. Anyone who reads the first chapter of a Candace Camp historical or contemporary romance will immediately understand why she is considered one of the greats and her books always best sellers. *INDISCREET* enhances that deserved reputation because of the fast-paced and exhilarating story line, and the droll, eccentric characters. This reviewer recommends this witty tale to fans of the Regency romance sub-genre; who will love it. Harriet Klausner

Kurzbeschreibung Benedict Wincross appears in Camilla Ferrand's life as quickly as the gunfire pursuing him. Though his name belies the fact, he is obviously no gentleman. But Camilla realizes Benedict may be just what she needs: a temporary fianc to satisfy her family's worries. And Benedict needs something in return: an entre into Chevington Park, Camilla's estate, to conduct an undercover investigation into corruption without Camilla's knowledge. Each was drawing the other into a dangerous deceit for even if they survived the danger of Benedict's mission, how would they undo the love between them? *Pressestimmen* "A smart, fun-filled romp." - Publishers Weekly on *Impetuous* "A smart, fun-filled romp." - Publishers Weekly on *Impetuous* "A smart, fun-filled romp." - Publishers Weekly on *Impetuous* "The talented Camp has deftly mixed romance and intrigue to create another highly enjoyable Regency romance." - Booklist on *An Independent Woman* "A clever mystery adds intrigue to this lively and gently humorous tale, which simmers with well-handled sexual tension." - Library Journal on *A Dangerous Man* "Delightful... Camp is firmly at home here, enlivening the romantic quest between her engaging lovers with a set of believable and colorful secondaries." - Publishers Weekly on *The Wedding Challenge* Kurzbeschreibung Benedict Wincross appears in Camilla Ferrand's life as quickly as the gunfire pursuing him.
