Von Saskia Walker : Inescapable (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Inescapable (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Porno mit seichter StoryVon MisatoTatschlich wrde ich INESCAPABLE tatschlich so beschreiben: Hauptschlich geht es um die sexuellen Aktionen und Erfahrungen allein, zu zweit und zu dritt und weil das alles nicht fr sich allein stehen kann, ist eine kleine, seichte Story drum herum gewebt. Wenn einem das gengt, ist es kein schlechtes Buch.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sex, fun and actionVon glaukaI loved this book...steamy sex with one

woman and two men (The dream of every girl :-)) absolutely believable characters and real suspense...I enjoyed it totally and would like to read more stories from this author...

KurzbeschreibungWhen Lily Howard agrees to meet the man she is having a powerfully erotic online affair with, she subsequently walks into a crime scene. Sexy police officer Seth Jones takes her into witness protection together with her online lover, Adrian Walsh, a man with crucial evidence for a court case. Deep in the heart of the Welsh countryside and locked up in a secluded hideaway with these two men one alpha dominant policeman, and a wry, sensitive accountant who knows her every secret erotic desire Lily soon becomes embroiled in a torrid ménage à trois that surpasses her every fantasy. Lily is wildly empowered by living her innermost desires in the safety of the hideaway. Adrian is the key that unlocks her sexuality, and Seth is the master who sets them both free. As danger stalks ever closer and the three lovers are torn apart, they each find that deep emotional bonds have also been forged. Can Lily ever forget what they shared? Does she even want to? Please note: This book contains sexually explicit scenes and graphic language which may be considered offensive by some readers. This book has previously been published with a different cover.
