The end of this part is interesting enough it would make some buy the next one, I guess. The pace is slow moving. Too much inner-self conversation, same thing all over repeatedly it gets boring. The dialogues, the little that there are, are rather flat. And the heroin (forgot her name) is

quite judgemental, a bit of a hypocrite too. In the pool scene, she was being a 'tease' and was pissed when told so???

Ohne viel Vorgeplnkel ist man sofort mittendrin. Die ganze Geschichte hat so viele schne und witzige Momente, dass ich es nicht mehr weglegen konnte. Aber vor allem die Charaktere der einzelnen Figuren gefallen mir besonders gut. Insgesamt war die Story fr mich sehr erfrischend anders und ich kann den zweiten Teil nicht erwarten.

What a waste of time Von Claudi HI knew early on that I really didn't want to finish this book but I did because I wanted to see how the author was going to justify the male protagonist's behaviour and how she would convert him into a monogamous guy. The leading lady watches a never-ending stream of women leaving the guy's house, finds him having a threesome while his 4 year old son is away, and she still falls in love with him. And while the guy wants her to be his woman, he still keeps on having affairs. Then there's the ending, which is really not an ending but a cliffhanger to continue in the next book. Luckily I just wasted my time and not my money as I downloaded this book for free.
