Inferno: The Sneak Preview...Von Miki101.Micha ... an extract from the new thriller written by Dan Brown.The hero is, once again the Harward symbologist Robert Langdon and it is set in Europe.Once again there will be a hard work to do to resolve "one of history's most enduring and mysterious literary masterpieces...This sneak preview contains the

prologue and the first chapter of the book, which will be released on May, 14, 2013. As a fact at the beginning we can read that all artwork, literature, science and historical references in this novel are real. "The Consortium" is a private organization...its name has been changed for security and privacy reasons. Inferno ist the underworld as described by Dante Alighieri in his epic poem "The Divine Comedy" ...In the Prologue a "Shade" is fleeing along the banks of the river Arno, cutting west towards the spire of the Badia, hauled by "voices", by treacherous villains...In the first chapter we find Robert Langdon having a bad dream about a river, a veiled woman and bodies - hundreds, maybe thousands, some dead, some barely alive...He is badly hurt and treated in a hospital. And he is sure to be in Massachusetts. But he looks out of the window and nearly faints...And a killer with a loaded weapon is on his tracks! But read by Yourselfes...The sneak is still free! And the suspense is rising...1 von 1 Kunden fanden die folgende Rezension hilfreich. Macht neugierig Von Howie1006 Langdon wacht in einem Hospital auf aus einem Alptraum, der eher wie eine Vision wirkt. Er wei nicht, wo er ist und warum er dort ist. Und mit der Antwort auf die erste Frage stellt sich auch schon die nchste. Ein Preview, der Lust macht auf das Buch. Ich habe es noch nicht - es wird aber ganz sicher kommen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. berflssig! Von Doris Peetz Werde derartiges nicht mehr bestellen! Es war berflssig und unsinnig. Beim nchsten Mal bin ich vor gewarnt. Kaufe zuknftig gleich das Buch oder ich lass es ganz bleiben denn das bisschen hat mir weder Lust zum Lesen gemacht noch diese genommen - brauch ich nicht nochmal!
