Ich habe es erst nach Styxx gelesen und eine Handlung in dem Buch hat mich doch sehr sehr verwirrt. Ich hoffe sehr, das es im nchsten Buch aufgeklrt wird. Ansonsten ein gelungenes Buch mit viel Witz und Charme, dazu ein Cliffhanger zum schmunzeln.0 von 0 Kunden fanden die folgende Rezension hilfreich. Groartig!Von skschunfassbar... ein Buch so gut wie das andere

und immer wieder schafft Sherrilyn Kenyon es, die Leser zu überraschen und zu schockieren. Bin schon gespannt wie es weitergeht!!!

**Kurzbeschreibung**The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick's saga continues in the next eagerly anticipated volume . . .Turning sixteen isn't what Nick Gautier thought it would be. While other boys his age are worried about prom dates and applying for college, Nick is neck deep in enemies out to stop him from living another day. No longer sure if he can trust anyone, his only ally seems to be the one person he's been told will ultimately kill him. Those out to get him have summoned an ancient force so powerful even the gods fear it. As Nick learns to command and control the elements, the one he must master in order to combat his latest foe is the one most likely to destroy him. If he is to survive this latest round, he will ultimately have to sacrifice a part of himself.**Pressestimmen**Jumping from male, female, American, and foreign humans and nonhumans, the undead, and animals, Graham gives each one a distinct voice and personality while keeping the complicated plot sorted out and racing ahead. The combination of Kenyon's skilled writing and Graham's spot-on performance makes the story easy to follow. **AudioFile Magazine****Werbetext**Fourth in the gripping YA spin-off series of Sherrilyn Kenyon's No. 1 New York Times bestselling Dark-Hunter series.
