Von David Foster Wallace : Infinite Jest (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Infinite Jest (English Edition):

KurzbeschreibungA gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do..deIn a sprawling, wild, super-hyped magnum opus, David Foster Wallace fulfills the promise of his precocious novel *The Broom of the System*. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction, features a huge cast and multilevel narrative, and questions essential elements of American culture - our entertainments, our addictions, our relationships, our pleasures, our abilities to define ourselves..comIn a sprawling, wild, super-hyped magnum opus, David Foster Wallace fulfills the promise of his precocious novel *The Broom of the System*.
