After reading the first book in this series I knew I had a new favorite, Initiated just confirmed it all the way. I longed to read more of Brian and his new life and within his new future to be. Oh, and his mate Raphael, my new crush...oh this blond sexy sob with his Italien accent...purrr...To see Brian finally accepting his new demon part and even giving in to his urge to be together with his mate and mentor, Raphael, is hot, wait..more than hot and awesome. These two Alphas in one room, dear gods. Okay, back to the story, uhm, Brian accepts the offer from the Society and is now helping them to fight against the evil ones and trying to close the open gate to hell. To get this happen he has to "recruit" a demon king. Seems easy, at first, he thinks. Meeting Adriel, another sexy hunk who will make you drool and purr in excitement. Adriel will help Brian but everything has a price, oh and what a hell of a price this is. Will Brian offer himself and give in? Well, I won't say anything and I am more than curious now for the next book!! I love these guys, Brian, Raphael and Adriel, what a bunch of hot Alpha males deluxe!! The story is dark and fascinating, and really leaves you longing for more, and not just because of the hot guys. This series is just at the beginning of its journey but I already got hooked and love this new world of Nicholas Bella.

Kurzbeschreibung "I always thought I knew myself better than anyone ever could. Now, I'm not so sure." Having been approached by some secret organization that polices the demon world, I'm now left with the choice of if I want to join them or not. My entire world has been flipped upside down. I used to just be Brian Cordero, sexy as hell cop with a body as masculine as my machismo. Life was great! Then, a month ago I met Raphael. The things he did to me changed me forever in more ways than one. Now, I'm an Agoto demon, a soul eater and apparently, that's top tier in the demon world. It's also one of the reasons I was approached by Agent Smith. Really, that's her name. Anyway, I've got a lot on my mind and I'm having a hard time focusing on what's important because I can't get Raphael's chiseled Mediterranean features out of it. I spend every waking moment thinking about sex and with what I am, I know I need him as he's my mate. But I just can't bring myself accept that. On top of that, If I do decide to joined this organization, I've been tasked with bringing in a very powerful demon into the fold. God, what the hell am I going to do? Warning: This serial contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men and women that will either offend you or get ya revved up. This series will not be pulling any punches, and it wont apologize for hurting your feelings, either. Youll find no fluff and ruffles here. These demons play hard and they fight dirty. There are approximately 29000 words in this novelette. Kurzbeschreibung "I always thought I knew myself better than anyone ever could. Now, I'm not so sure."
