series, I had really high expectations for Inner Sanctum and Ms. Kavanagh didnt disappoint! I really enjoyed this story, just like with Double Indemnity the author knows how to write a good mystery! She kept me guessing about the arsonist until the end and I never suspected the character being responsible for it. (Again! Seems like Im not really good in solving crime cases. *g*) I think I loved Sam and Nathan even more than I did in the first book. It was great to see the two of them again, see how they were doing and spent some more time with them. What I loved about Inner Sanctum, was that Sams doubt about who was responsible for the fires was believable. And even though I didnt like him lying to Nathan I absolutely understood why he did it. I also think it would have felt wrong if hed done nothing. I mean those whove already read the first book know that Sam just cannot not investigate on his own! Even more so when it looks like the police have the wrong guy. I am really looking forward to reading more of these two because theyre great together. And I cant wait to see where the author takes them in the last installment of the series! If you loved the first book, youll definitely like the second one too.

Kurzbeschreibung Sequel to Double Indemnity The Stonebridge Mysteries: Book Two Six months into a relationship, things have heated up between political blogger Sam Flynn and FBI Special Agent Nathan Walker. As Halloween approaches, fears rise that the arsonist will strike again. When Sam encounters the main suspect, seventeen-year-old orphan Damon Blake, he's not sure what to do. Obstruction might land him in jail, but he is increasingly skeptical of Damons guilt. He takes matters into his own hands and investigates, but doing so means keeping Damons whereabouts a secret from Nathan and the police. Meanwhile, Nathan wonders what Sam is hiding and grapples with insecurities of his own. Sam wants to confide in Nathan, and Nathan wants to trust Sam, but they discover that negotiating new love can be as dangerous as solving crime.
