But of course the way to the happy ever after is full of blood and tears and hot screaming bites!We learn more about Blakes world and his Order as he tries to

get revenge for Jarryd. In trying so, he puts his beloved in danger - the last thing he wants, even more so now with big happy news for them. But cruelty strikes Siobhan and her close friend Sera very close to the heart. In this heartbroken times, it's their new family that gives them strength and they get even closer than before, making a decision for a lifetime. Some find it inappropriate that in these times lust and hunger and need plays a big part in this story. I for myself can relate to that. But Helen wrote these parts so well! It's all well placed and fits perfectly. It's never forced and flows perfectly into each other. At the end we're introduced to characters that we will meet soon again. I just wished that we would have learned more about the turning process as the epilogue was too short for my taste. But maybe it was just me trying to hold on to them, not wanting to let them go, have their story ended. I really can't wait to read more from Helen! And she ignited my interest in vampire and paranormal stories. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Krnender Abschluss! Von Peggy Schultz Meiner Meinung nach der beste Teil!!! Alles enthalten von Liebe, Erotik, Spannung und Trauer! Ich kann diese Bcherreihe nur weiterempfehlen!

ber den Autor und weitere Mitwirkende Hi everyone and welcome to my Author Page! Journey of Innocence, a set of three books, Innocence Lost, Innocence Reclaimed and Innocence Reborn. It's basically a love story, the corny saying "love can conquer all." You are taken on a journey with twists in it. There are characters to fall in love with, to hate, and everything in between. Vampires that have fangs, and do bite, but not necessarily on the neck... Plenty of hot steamy sex that will tease your senses and leave you craving more... A little about me! I grew up in my family's home in the County of Hampshire, England. My childhood dreams were filled with the desire to become a dancer. An only child, but I was never alone, my years were spent entertained with my vivid imagination. I met and married my husband not long after leaving school and soon after our son was born. My family is made complete with my two cats that are spoiled rotten, which results in them often thinking they rule the home.
