**Von Helen Johnston : Innocence Reclaimed (Journey of Innocence) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Innocence Reclaimed (Journey of Innocence) (English Edition):

KurzbeschreibungDelve deeper into the journey ... Siobhan remains in the clutches of Monique, trapped in her French chateau; her body drawn into a world of sensual and sexual awakening. Torn from Blake's arms, will she ever see him again?Jarryd, sworn to protect Siobhan for the Elder Blake, continues to feel overwhelming emotions that he thought were long dead. The passion and desire, his love for her, he knows is futile. A happily ever after with her would be the signing of his own death warrant.Will Monique's plans for Siobhan reach fruition as the Elders' party draws closer, gathering them together once a century? Will hell on earth reign supreme? Or will Blake, one of the most powerful and charismatic Elders, be able to hold his restraint until the perfect time to rescue his love?KurzbeschreibungDelve deeper into the journey ...
