Von James Rollins, Rebecca Cantrell : Innocent Blood: The Order of the Sanguines Series before purchasing it

in order to gage whether or not it would be worth my time, and all praised Innocent Blood: The Order of the Sanguines Series:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Die Vampir-Saga geht weiterVon Arno GndischMit groer Skepsis nahm ich den 2. Band der "Order of the Sanguines"-Serie zur Hand, fiel der erste doch nicht sehr berzeugend aus. Zu meiner Berraschung mute ich feststellen, da der zweite Band etliche Schwchen des ersten hinter sich lie und eine durchaus originelle Mythenwelt erschuf, mit dem Mysterium des Blutes als zentrales Thema. Natrlich wird die Welt weider einmal (oder sagen wir, fast) gerettet-James Rollins' SIGMA-Serie lt gren. Der Faszination einzelner Gestalten kann sich aber kaum jemand erziehen, ob es sich nun um Judas Ischariot, der Grfin Elizabeth Bathory, Grigori Rasputin, oder dem Ur-Engel Arella handelt. Oder um den Beinahe-Versager Bruder Leopold...Daher: fnf Punkte und eine Kaufempfehlung an alle Vampir-und Okkulta-Fans!0 von 0 Kunden fanden die folgende Rezension hilfreich. OKVon KomikerHtte ich die Bewertung nach 2/3 des Buches abgegeben, htte es ein paar Sterne verloren.Wie dem auch sei, habe ich vier Sterne vergeben.Manche Istigen Aspekte des ersten Buches in der Reihe waren immer noch da, jedoch ab dem Ende des zweiten Drittels kommen alle Strnde zusammen und ich konnte das Buch dann nicht mehr loslassen.Ich bleibe der Meinung, Rollins wrde alleine einen genau so guten Job machen und ich frage mich, was Cantrell zur Story bringt. Ich werde mir eins ihrer Krimis antun, vielleicht werde ich da meine Meinung revidieren. Aber das ganze emotionale Pathos, das in manchen intimen Szenen zu spren war, wirkte sehr plump, auf englisch wrde ich "ham-fisted" sagen.Daher nur vier Sterne.0 von 0 Kunden fanden die folgende Rezension hilfreich. Tension from the start.Von DemuliOne must read the first book before to get real excitement reading the story. Can help but to wonder the great great idea to write something new about vampire and church, evil and god, miracle and angels and all that mixed in the modern time one can think it could really be.. beware you meet the next strigoi in Rome.

KurzbeschreibungA vicious attack at a ranch in California thrusts archaeologist Erin Granger back into the folds of the Sanguines, an immortal order founded on the blood of Christ and tasked with protecting the world from the beasts haunting its shadows and waiting to break free into the sunlight. Following the prophetic words found in the Blood Gospel--a tome written by Christ and lost for centuries--Erin must join forces with Army Sergeant Jordan Stone and the dark mystery that is Father Rhun Korza to discover and protect a boy believed to be an angel given flesh.But an enigmatic enemy of immense power and terrifying ambition seeks the same child--not to save the world, but to hasten its destruction. For any hope of victory, Erin must discover the truth behind Christ's early years and understand His first true miracle, an event wrapped in sin and destruction, an act that yet remains unfulfilled and holds the only hope for the world. The search for the truth will take Erin and the others across centuries and around the world, from the dusty plains of the Holy Land to the icy waters of the Arctic Ocean, from the catacombs of Rome to an iron fortress in the Mediterranean Sea, and at last to the very gates of Hell itself, where their destiny--and the fate of mankind--awaits.With The Blood Gospel, the first novel in the Order of the Sanguines series, James Rollins and Rebecca Cantrell breathtakingly combined science, myth, and religion and introduced a world where miracles hold new meaning and the fight for good over evil is far more complicated than we ever dreamed. In Innocent Blood they again take us to the edge of destruction . . . and into the deepest reaches of imagination.PressestimmenA thriller of dark subterranean complexity, rather like a rare, vintage red wine. (NY Journal of Books)A combination of religious conspiracy and another popular genre, and to reveal more about the concept behind this engaging novel would be a crime. (Washington Post on THE BLOOD GOSPEL)Theres a touch of genius... in pairing a Dan Brownian hidden-codex mystery with a vampire tale. Let that suffice lest spoilers ruin the fun, except to say that the blood of the title is no accident. (Kirkus on INNOCENT BLOOD)[A]nother darkly hypnotic hybrid, and supremely effective, horror-thriller A harrowing tale thats truly epic in scope. Not to be missed. (Providence Journal on INNOCENT BLOOD)[C]aptures the imagination and leaves the reader panting in anticipation for the next adventure. (New York Journal of Books on INNOCENT BLOOD)[An] intense and shocking thrillerfilled with history, espionage, love, revenge, and the power of forgiveness. (Library Journal on INNOCENT BLOOD)WerbetextFrom NEW YORK TIMES bestselling author James Rollins and award-winning author Rebecca Cantrell comes the second gothic thriller in the BLOOD GOSPEL series - perfect for fans of THE DA VINCI CODE.
